James Wright	to	Pryor Wright	144	5.9	121.18	1.16.7

Although the record lists the land as 144 acres, this record apparently reflects the sale of 424 acres of land by Prince Edward County Deed 7/163. There was a listing in the 1784 Prince Edward County, Virginia, Land Tax List for Rhoderick Wright for 144 acres of land and no listing for him thereafter. No document of transfer for that 144 acres has as yet been found. The sale of land by James Wright to Pryor Wright may have been confused with the sale of land by Roderick Wright, or there may have been some

interconnection between these Wrights which could explain the mixed listing of acreage. Roderick Wright was the son of John Wright (Goochland County Carpenter), who owned land near 1779 John Wright in Goochland County when they both resided there. No clear connection between these families has as yet been found, but physical proximity and periodic transactions between the families suggest that there may be a connection through an earlier ancestor.

On March 20, 1786, at Prince Edward County, Virginia, D.B. 9/56 Prudence Wright relinquished her dower interest in the land sold by Prince Edward County Deed 7/163:

> "Prince Edward, to wit,

In her letter dated September 5, 1979, Eileen Stoltz identified Prudence as Prudence Turner, daughter of Richard Turner and Nancy (____) (Turner) Wright, based on a division of Richard Turner's estate on March 23, 1778.

Leftwich-Turner Families Of Virginia And Their Connections, by Walter Lee Hopkins, C. J. Carrier Company, Harrisburg, Virginia, 1980, also stated at page 20 that Prudence Turner, the daughter of Richard Turner and Nancy Johns, married James Wright. As mentioned above in the Section regarding David Wright, Nancy (Johns) Turner married David Wright, the brother of James Wright:

"(8) Richard Turner (James), b. cir. 1730, d. in 1769. In 1761, he purchased eight hundred acres of land in Bedford County on Little Otter River from Richard Randolph of Henrico County, Va. He made a will dated October 28, 1768, admitted to record in Bedford County, Va., June 27, 1769. He married Nancy Johns (b. April 30, 1732, d. January 30, 1822), cir. 1757. "Died at the house of James Turner, his mother, the 13th of January, 1822, at three o'clock in the morning. She was interred the same evening at Major Augustine Leftwich's, by the side of her daughter, Mary Leftwich. She had for many years made a consistent and reputable profession of religion. A few of her last years were very uncomfortable to herself, owing to an evident derangement of her mental powers.

"Before this unhappy event, she had lived almost continually in the constant expectation and desire of her dissolution, that she might be with Christ. Had she lived to see the 30th day of the following month, April, she would have been ninety years old." Written by her son, Rev. James Turner, in his Bible.

Issue of Richard and Nancy (Johns) Turner:

(1) Mary Turner, married Augustine Leftwich, Jr., February 12, 1765. (See Leftwich Family herein for descendants).

(2) James Turner, a Presbyterian minister, b. May 7, 1759, d. January 8, 1828; married Sarah Leftwich, daughter of Colonel William Leftwich, August 25, 1778. (See III-2).

(3) Jesse Turner, served in Revolutionary War. Mrs. Jessie Turner Stephens, his grandniece, now (1930) living at 301 North Mulberry Street, Richmond, Va., has his silver knee-buckles which he wore in the army.

(4) Prudence Turner, married James Wright. They removed to Russellville, Ky. Among issue:

(a) Robert A. Wright, b. 1797. He was living in Russellville, Ky. in 1821, and in New Orleans, La., in 1836.

(b) Ann Wright. She was teaching school at Tuscaloosa, Ala., in 1821.

(c) Lilbourn Wright. He was living in Russellville, Ky., in 1819, where he married Mary ____, March 2, 1819. In 1822 he was living in Cooper City, Booneville County, Mo.

(d) James T. Wright, d. in Lynchburg, Va., in 1822.

(e) William Wright.

(5) Ann Turner, married Joel Leftwich, December 24, 1781. (See Leftwich family herein for descendants)."

James Wright had been appointed in 1782 to sell off county lots adjoining the courthouse. Leftwich and Turner were family names associated with James Wright, the son of 1779 John Wright. It therefore seems probable that the James Wright of Bedford Deed 11/216 was James Wright, the son of 1779 John Wright.

On May 15, 1793, at Bedford County, Virginia, County Court Loose Papers James Lyle filed an answer to a complaint filed against him by James Wright:

"The answer of James Lyle to a bill of complaint exhibited in the Worshipful Court of Bedford County, in Chancery, against him by James Wright

This respondent saving and reserving to himself all manner of benefit of exception to the errors and imperfections &c in the said bill contained and for answer thereunto, or so much thereof as he conceives to be material for him to make answer unto, saith

That in the year 1769 a certain Abraham Neighbours, being desireous of looking up some guads(?) on credit set this respondents store as Manckutin but being a Stranger James Wright (son of John) being present readily became security for the said Abraham Neighbours for whatever transactions he should have with this

respondent, in consequence of this, in the year 1772 the said Abram became indebted to this respondent the sum of Nine pounds four shillings and Nine pence half penny, which ____ said respondent informed the said James Wright of, and demanded payment of him as security for the said Abraham Neighbours. It was then agreed, that the said James Wright (in order that he should have it in his power to recover the warrant aforesaid from the said Abraham Neighbours,) should give his obligation to this respondent for the said warrant of £9.4.9½, and obtain a receipt from this respondent of having satisfied him with regard to his claim against the said Abraham Neighbours, all which transactions accordingly took place. And the said James Wrights obligation for £9.4.9½ remained in this resondents possession, still owed, and unpaid, till he, in order to recover the debt with interest, instituted a suit in the Worshipful Court of Bedford against the said James Wright, and as appears, obtained a Judgment.

As to the said James Wright being under age at the time he first became security for the said Neighbours, this respondent cannot answer farther then, at that time he the said James Wright had an account opened for him self on this respondents books and this respondent does not remember that being under age was ever mentioned, what ever age he might be in 1769, when he first became security for Neighbours, this respondent thinks he must have been of full age in 1772, when he granted his obligation for Neighbours debt.

As to the identity of James Wright, being the same person who granted the obligation, to this respondent, he remembers him too well to be mistaken, and this respondent further saith that to the best of his remembrance and as far as he can discover from his books there never was any other person of the name of James Wright, with whom this respondent had any transactions: and he has a better opinion of James Wrights honor and integrity than to suppose he would attempt to make use of such a subterfuge.

It is true that the said James Wright had dealings since the peace at a store at Manchester belonging to Lyle & McCredie (this acknowledgment of James Wrights proves him to be the same, who gave his obligation for Neighbours debt, as this respondent knows that, the same James Wright that dealt with Lyle and McCredie is the same James Wright that gave his obligation for Abraham Neighbours debt,) It may be true that this respondent, did not ask payment of James Wrights debt, (due prior to the War) when he may have seen him dealing at the Store of Lyle & McCredie; at that time debts of the nature of James Wrights were not allowed by our Laws to be prosecuted for, to a recovery.

This Respondent having related the circumstances of every thing relative as far as he knows & believes, and thinks necessary in answer to the Complainants Bill, prays to be dismissed with his Costs.

This record indicates that James Wright was 21 years old by 1772 and, therefore, was born before about 1751. In addition, since he may not have been 21 in 1769, he was probably born after about 1749. As will be set forth below, this answer was apparently to a complaint that was later sworn to in court by James Wright on December 25, 1797.

On January 26, 1795, at Bedford County, Virginia, County Court Loose Papers Samuel Beard filed his answer to James Wright's complaint and denied that any further credits were due on his debt:

"The Answer of Samuel Beard Executor &c of Adam Beard decd to a bill of Injunction against him exhibited by James Wright in Bedford Court

This defendant now and at all times saving to himself all benefit of exceptions to the said bill for answer thereto or so much as he is advised materially concerns him to answer to answering saith that true it is the complainant did on the __ day of ____ in the year __ execute his hand to this Defendant for the sum of £87:10 payable at a future day on which this non payment suit was institued and a Judgment obtained and an Execution issued &c but this defendant asserts that he gave Credit before he ordered an execution for every farthing the Complainant was entitled to and he has no recollection if any money paid by the hands of David Saunders never having had any dealing with him further that what he owes him as sheriff for his Taxes which he paid and obtained a receipt for This defendant saith that three different times this Subject has been mensioned between himself and the complainant when the latter acknowledged that he knew nothing of the payments he now contends for

This defendant avers that he is well convinced that the compl is entitled to no additional credits and the two replevy bonds are Justly due and there is no claim either legal(?) or equitable to be opposed to the payment of the same he Therefore hopes this worshipful Court will dismiss the Injunction aforesaid and let him have the benefits of his execution and his costs in this behalf wrongfully expended &c &c

Except for minor variations in the legal description, which appear to represent a more accurate survey of the land, it is clear that James and Prudence Wright had sold all of their land on the Otter River. The Bedford County Index of Deeds incorrectly listed them as selling only a part of that land due to a misreading of the phrase in the deed five hundred sixty acres as two hundred sixty acres.

On December 25, 1797, at Bedford County, Virginia, County Court Loose Papers James Wright filed a complaint to enjoin the enforcement of a judgment obtained against him by James Lyle:

"To the worshipful Court of Bedford County in Chancery sitting humbly complaining sheweth unto your Worships your Orator James Wright, that Some Time Since a certain James Lyle, herein after called Defendant, instituted a Suit in the worshipful Court against your Orator on a Note given by a certain James

Wright for the Sum of nine pounds four Shillings & 9½d for which amount, it is stated in the said Note the said James Wright had been Security for a certain Abraham Neighbours, & for which the said James Lyle had given him a Receipt to authorise him to go against the said Abraham Neighbours therefor. Your orator states that at the Time the Writ was served on him he was very much surprised, as he had no knowledge that he had ever given Such a Bond, nor did he recollect ever having been Security for the said Abraham Neighbour. But as it was a Transaction of long standing the Note bearing Date in the Year 1772 he did not know but he might by convening with the said James Lyle be convinced by Some Circumstance or other that he had given the Note; he therefore directed his attorney to put in the Plea of Payment with Special Leave of Christopher Clark the attorney for the Plaintiff to alter it to the plea of non est factum should he on considering the Circumstances, or on seeing the said James Lyle choose to do so. That just before the last Court he was compelled to go to Richmond on necessary Business, & left a note to his attorney to put in the plea of non est factum not supposing it necessary at the time the plea was put in that it should be sworn to But owing to this Circumstance the plea was not received, & Judgment went against your Orator for the Amount of the Note and its Interest and your orator is now threatened with Execution. Your Orator again positively states that he has no Recollection of the Transaction nor does he he believe he ever gave the Note; and he is strengthened in this Beleif by two Circumstances first the Date of the Note which is so far back as that your orator could not have been of age, & he cannot conceive that James Lyle would have taken him as Security for any one: & secondly because long since the Date of the note & since the Conclusion of the late War with Great Britain he has had considerable Dealings with the said Lyle, & paid him in his own Store a considerable Sum of money, & then had money left & the said Lyle who was then present made no application for the Said Note: & your Orator afterwards gave his Bond to the said Lyle for another considerable Sum of Money which several years since hath been collected, & no notice was given of the note before mentioned. Your Orator further states that there were several other Families of the same name with his & he cannot account for this Business but by supposing the said note to have been given by another James Wright - All which Actings & Doings tend manifestly to the Injury & Oppression of your Orator: in tender Consideration whereof and forasmuch as your Orator is Remediless in the Premisses except in this worshipful Court, where Matters of this Kind are peculiarly cognizable & relievable against: to the End therefore that the Said James Lyle who your Orator prays may be made Defendant to this his Bill of Complaint may true & perfect answer make to all and singular the Premisses & that as fully as if herein again repeated & interrogated, may it please your Worships to grant the Commonwealths most gracious Writ of Subpena &c & to enjoin all further proceedings on the Judgment aforesaid until the matter can be

heard in Equity & when heard that you will make such further order & Decree as Shall seem right, & as in Duty bound he will ever pray &c

Although the document had a notation at the bottom that it was sworn to in court on December 25, 1797, that notation was in a different handwriting style from the remainder of the document and I suspect that the original complaint had been filed before May 15, 1793, since it appears to be the complaint which James Lyle responded to on that date and set forth above.

On December 25, 1797, at Bedford County, Virginia, County Court Order Book 11/236 the court granted an injunction in favor of James Wright against further proceedings with regard to the complaint file by James Lyle pending further hearings on the complaint in equity filed by James Wright:

On September 23, 1799, at Bedford County, Virginia, County Court Loose Papers James Wright filed a complaint against George Hancock to enjoin the enforcement of a judgment of £7 obtained by Hancock against Wright for attorney's fees:

"To the worshipful Court of Bedford County in Chancery Sitting, humbly Complaining, sheweth unto Your Worships your Orator James Wright that some time since a certain George Hancock (who your Orator prays may be made Defendant to this his Bill of Complaint) instituted a suit in this worshipful Court against your Orator on an account for Lawyers fees in which as your Orator is informed he charged him to the amount of £10.5.0 & at the last quarterly session for this County, he obtained a Judgment for the sum of £7 the said account not being produced on the Trial of the said Suit - This Complainant states that the following Items in the said account are erroneous viz: one for five pounds as a fee in the suit Beards Executors vs your Orator. This fee was promised the said Hancock in Case the said Suit ever came on to be heard & he the said Hancock gained the same for your Your orator & states that had he succeded he never would have disputed that charge, but he positively denies that the said Hancock did gain the suit for him & of Course he is not entitled to the said fee. He farther sets forth that before the Termination of the said Suit the said Hancock relinquished his practice in the Court, where the Same was depending & your orator was compelled to employ another Lawyer & to pay another fee therein, in Consequence of the said Hancock's non-attendance, so that he is not even entitled to the legal fee. Your Orator is farther informed that another Item in the said account is a Chancery fee of five Dollars in a Suit in this Court Turners Executors v Williams which your orator states to be wrong as to the best of his Belief & Knowledge he never did employ him thereon; & even if he was employed he never did finish the said Business, which is even now unfinished, as will appear from the Records of this Court - Your orator therefore states that he was entitled to the said Credits of £6.10 against the said account of £10.5, so that the Judgment ought only to have been for £3.15 instead of £7.00 for which Sum if your orator had refused to pay a petition might have been brought, but he avers that before the suit was completed he was willing & did offer to pay whatever was justly due. But now so it is may it please your worships that the promise notwithstanding, the said Defendant having obtained Judgment as aforesaid now threatens your orator with Execution: all which actings & Doings are contrary to Equity & good Conscience In tender Consideration whereof & for asmuch as your orator is remediless in the Premisses except in this worshipful Court, where matters of this kind are properly cognizable, may it please your Worships to enjoin the Judgment aforesaid until the Matters herein contained may be heard in Equity & may grant a Subpoena &c. & compell the said

Hancock to bring forward his said account & to make answer to the Premisses as fully as if the same were herein again repeated; but more especially whether the said fee of £5 was not conditional; whether the suit was gained - whether he finished the same - whether your orator employed him in the suit Turners Exors v Williams & if he did, whether he finished the same, & finally may make such Decree in the Premisses as may be consistent with Equity & as in Duty bound he will ever pray &c

On August 27, 1800, at Bedford County, Virginia, County Court Loose Papers James Wright filed a complaint to enjoin the enforcement of the arbitrator's judgment awarded against him and in favor of Jacob Wade for £41, 10s, and 8p on the ground that he could not attend the trial and judgment was entered in his absence:

"To the worshipful Court of Bedford County, in Chancery Sitting humbly complaining sheweth unto your Worships your orator James Wright, that some time since a certain Jacob Wade instituted a suit in this worshipful Court against him, which it was mutually agreed between the Jacob Jacob and your Orator should be referred to Arbitrators, whose names will appear by Reference to the Records of this worshipful Court. That your Orator before the same was tried before the said Arbitrators, removed to the County of Franklin; that after his Removal & in his Absence the order of Reference which at first was in the usual Form, was made ex parte, with which Circumstance your Orator was unacquainted; that afterwards he received notice from the Plaintiff by which he was required on the 26th Day of July last to appear at Liberty before the said Arbitrators for the Trial thereof. Your Orator positively states that he could not attend at the Time and place appointed, because he had no Horse which he either had or could have procured, sufficient for him to ride, and he wrote two Letters to the said Arbitrators informing them of his Situation. Your Orator farther represents that the Said Arbitrators did proceed to the Trial of the said Suit in the absence of your orator & without the Depositions what were filed in the office & have made up an award for the Sum of £41.10.8 founded on an Account now filed in the office of their worshipful Courts. He states that that account is erroneous in almost every Instance With Respect to the first; Charge of 8 lb of pork not found in 1795 Your Orator positvely states that he furnished him 408 lbs of Pork & let the said Wade have the assistance of his negroes in building & fixing a House on his own place for which by agreement he the said Wade was to allow 100 lbs of Pork, so that your Orator is entitled to receive of the said Wade the value of 8 lbs over paid. With respect to the charge of £1 for a plough Boy Your Orator states that he furnished all the Hands which by agreement he was to have furnished, & that for a considerable time he also let the Defendant have the work of a negro fellow named Ben, for which he only required & received by agreement from the said Wade the assistance of the Hands under him for some short time in gitting & saving peaches. The Charge of 3/ for reparring a Hogshead your Orator conceives to be unjust because he lent the

said Wade the same to put his meat in, & he had it repaired for his own use. The six Shillings for a Hand is not just, because a full compensation was received from the Services of Ben. The Charge of 8/9 for Slowman Reese your orator positvely states that he paid the said Wade therefor out of the Crop of Rye upon a Settlement. As to the Charge of £6 for dieting your orator, he states that by the original agreement between the said Wade and your Orator he was only bound to furnish him 300 lbs of Pork, but that as he expected to be frequently at the place, he did agree, in order to compensate him for what he might eat when he might occasionally be there, to allow 200 weight of Pork more making 500 weight which the said Wade did accept for the Purpose aforesaid. The charge of the Horses running in the Field is erroneous, as if, they ever did run in the Field it was through the Carelessness of the said Wade, and not by the Consent of your Orator. With Respect to the 9½ Bushells of Corn alledged to have been deficient your orator believes that he received every Grain to which he was entitled, as he had the Key of the Corn House, and might at any time have paid himself. As to the charge of 100 lbs of Pork deficient the second year your orator states that he furnished 400 lbs in the Winter & was by agreement to furnish the succeeding Fall 100 lbs more of Beef or Pork - that the said Wade having settled on his own plantation & having promised to attend to your Orators which was adjoining, & he having failed to discharge the Duties of an overseer your orator was compelled early in the Fall to employ another Overseer who removed to the place, & as he had to support him in Consequence of the said Wade's negligence, he thought it unjust that he should be compelled to furnish the pork, which was promised under an Idea that he would faithfully discharge the Duties of an overseer. Your orator denies that he ever agreed to furnish Hands to build a Kitchen for the said Wade, on the Contrary the said Wade did build a Kitchen with your Orators Hands, which constitutes one of the Items in your Orators account. The first year your orator did furnish a Cow, but the second year he was not to furnish one as he had wintered the said Wades Cattle the Winter before, and in Consideration thereof the said Wade was to find a Cow from amongst his own. Your orator states he never did agree to furnish five Hands seven Days to repair the said Wades Fence - With Respect to the Charge of 6/3 for Knives your orator knows nothing & if they were furnished your orators know nothing of them, & never directed knive to be got. With Respect to the Charge of £21.3.4 for his Proportion of the Tobacco this Respondent states & believes he can prove that the said Jacob Wade was negligent of the Duties of an Overseer, not attending to the Negroes, & thereby injuring him as your Orator believes, much more than his Share of the Tobacco. Your Orator now begs leave to refer to an account which he herewith exhibits & prays to be taken as part of this Bill containing as he believes as near on the nature of the Transactions will admit of it, an accurate Statement of Charges against the Defendant leaving a blank as to the amount of the Injury done by the Stock of the said Wade to your Orator. Now so it as may it please the Court, that the Premisses notwithstanding the said Jacob Wade having obtained Judgment upon the Award aforesaid, now threatens your Orator with Execution - All which actings & Doings are contrary to Equity and good

Conscience & tend manifestly to the Injury & Oppression of your orator; In tender Consideration whereof and for as much as your orator is remedeless in the Premisses except in this Worshipful Court, where Matters of this Kind are peculiarly cogniz__ to the End therefore that the said Defendant, who your orator prays may be made Defendant to this his Bill of Complaint, may true & perfect Answer make to all & singular the Premisses & to every Item of his own as well as of your orators account & that as fully as if the same were herein again repeated & interrogated May it please your Worships to grant a Subpona &c & to enjoin all farther Proceedings until the Matter can be heard in Equity, & when heard that they may award a new Trial before the arbitrators aforesaid or grant such other Relief as to them shall appear proper & as in Duty bound he will ever pray &c

In August 1800 and probably on August 27, 1800, at Bedford County, Virginia, County Court Order Book 12/107 in the case of Wade v. Wright the court granted an injunction to stay further proceedings on the judgment pending further hearings on James Wright's complaint in equity:

On August 27, 1800, at Bedford County, Virginia, County Court Loose Papers James Wright Christopher Clark, and Joel Leftwich executed their surety bond to secure the payment of the judgment obtained by Jacob Wade against James Wright pending the hearing of Wright's complaint to enjoin the execution of the judgment:

On October 14, 1800, at Bedford County, Virginia, County Court Loose Papers Jacob Wade filed his answer to the complaint of James Wright and alleging that James Wright had failed to attend the trial in order to delay and procrastinate:

"To the Worshipful the Court of Bedford County,

The Answer of Jacob Wade to a Bill of Injunction exhibited against him in this Worshipful Court by James Wright.

This Respondent now and at all times hereafter Saving & reserving to himself all benefit of exception to the manifold Errors, insufficiences improprieties and untruths in the said Bill contained for answer thereto or so much thereof as he is advised materially concerns him to answer unto, Saith,

That true it is that this respondent instituted a Suit at common law against the Complainant in this worshipful Court on the 25th July 1798, that an Issue was not made up in the cause until Bedford may Court 1799 when the same was continued at the said Complainants Costs. That at the Novr. Court following the cause was mutually referred to Thomas Lumpkin, Joseph Holt, & Wm Quarles Junr. Gentlemen a time & place was appointed when the Arbitrators should proceed to make up their Award, of which, the Complainant had reasonable Notice while in the County of Bedford. Your respondent sets forth that he personally went to the Complainant after he had received Notice, Who informed him this respondent, that he the said Complainant could not attend, that he was busy carrying down his Tobacco. In consequence of the Complainants failure, and manifesting a disposition to procrastinate the business, Your respondent by his Attorney moved to have an ex parte Order, which the Attorney for the Complainant consented to, which was accordingly done, at the March Bedford Court 1800 as will appear of record. Your Respondent States that in pursuance of the said Order the 26th day of July 1800 was appointed by the referees aforesaid, in the Town of Liberty, to hear, arbitrate, & determine the Cause aforesaid, and that the Complainant not only had legal Notice, but was also informed that it was an ex parte Order, and that the referees would proceed to make up their Award in case either of the parties should fail to attend. They accordingly met at the time & place aforesaid and awarded to your Respondt. the Sum of £41.10.8 as stated in the Camplts. Bill, for which the Worshipful Court of

Bedford rendered a Judgment in favour of yr. Respondt against the Complainant at their Augt. Term 1800 with Costs of suit &c. The Complaint. was present at the rendition of the Judgment. Your Respondt. hurribly concieved the Judgment aforesaid to be a righteous one, and the Account on which the award & Judgment was founded stated in the hand writing of one of the referees Your respondent conscientiously believes every Item thereof to be strictly true and ought long Since to have been paid. As to the trump't up account which the Complainant has made a part of his bill of complaint this Respondent positively denies that any one Item contains the least shadow of Justice, or truth, excepting such as are either credited in the A/C on which Judt was obtained, or settled in the transactions between this respondent & the Complainant; unless it be the 1/6 paid to Williams which may be true. As to the 8 lb of Pork over paid, erroneous, for the very reverse is true, there lacking 8 lb to pay this respondent what was justly his due. As to the 8 Bushels of Wheat that is also erroneous, for it was for Corn lent by this respondent to the Complainant to be paid in wheat after harvest which was done, for which reason this respondent did not bring it into his account supposing it to be setled. As to the leather, if ever any was received by this respondent It was for the purpose of repairing Gears, the property of the Complainant, and not for this respondents private use. As to the work of hands to pull Elisha Hurts fodder it is credited. Also all Corn Accounts received by this respondent of the Complainant are credited in the general Account, after which there appears to be a balance in corn due to this respondent of 9½ bushels. As to the Complainants hands stacking fodder, He the Complt owed this respondt. the time for services rendered by his Son in ploughing. The charge for 2 Hands sawing Slab Stuff was setled by 100 lb pork. The geting & haling timber was done by agreement for an Overseers house for the year 1797 - As to the 150 lb. Tobo. paid by brown to Quin - This respondent positively denies ever recieving any more than his due share of Tobo. made prior to the year 97. The Crop of that year being still in arrears. The charge for Harvest Whiskey, and Cradles is unjust & erroneous - By the Agreement between this respondent and the Complainant, it was expressly stipulated that He the said Complainant was to furnish Cradlers out of his own hands to cut the harvest but failing to do so instead thereof hired others without the Consent of this respondt. and contrary to the agreement aforesaid, wherefore this respondent concieves himself by no means liable to any part of the expence - As to the whiskey business; true it is, this respondent went to a certain Michael Kerns's to procure whiskey for the harvest of the Complainant, when the said Kerns refused to trust the Complainant, alledging that he the sd Complt. had owed him a Considerable Sum for a long time & had not paid him, therefore he would not trust him any more yet, & your respondent was under the necessity of advancing a Dollar out of his own pocket to procure the Whiskey for the Complainant; If this respondent is liable for his proportionable part of this Whiskey Account (when a great proportion of the Spirits was drank by his own Negro's), this respondent humbly concieves he ought to have Credit for his lonely Dollar with Interest, considering the Circumstances of the Case. As for the Charge for the Carriage of Tobo -

One Hogshed is credited in the General Account(?); the balance being carried with this respondents Horses, he therefore was to be exonerated from any part of the Charge. And lastly as to the Charge of £3.12.0 for the rent of a field, that also is erroneous. This respondent avers that it ought to be £3. only, for which Sum the Complt has credit by this respondent on John Quins Books, reference being had thereto will more fully appear. As to the Items in the Complainants Account aforesaid not particularly considiered by this respondent, he saith, that they are unjust as far as this respondent knows or belives, but leaves the Complainant to such disinterested testimony as he can procure, and hopes this Worshipful Court will dissolve the Injunction & by their decree give this respondent the benefit of his Judgment at Law, & dismiss him hence with his Costs unjustly sustained in the premises; without that that &c

On about September 26, 1803, at Bedford County, Virginia, County Court Loose Papers a summary of the allowed and not allowed charges between James Wright and Jacob Wade was filed:

"No 36

James Wright Complainant vs. Jacob Wade Defendant in Chancery in Bedford Court, Examination of the said James Wrights Account Exhibited against said Jacob Wade as followeth viz

£0.3.2 1st Charge for 8 lbs pork Overpaid Jacob Wade, denied by Wade & not established by Wright disallowed

6.0.0 2nd, Charge for Meal uwed by Jacob Wade intended for James Wrights negroes when Corn was ten dollars pr. Barrell - See Nancy Vaughans Deposition No. 28 and answer to James Wrights 13 Question Viz do you know anything of Jacob Wades making use of my negroes Meal, Answereth, yes he did, he generally went once a week to Mill & on his returning home would take out a midling sized Bason or two which she supposes would hold about two Gallons - See Joshua Wades deposition No 17 - Questioned by Jacob Wade Viz do you know whether the Meal furnished by James Wright for the use of his Negroes on that plantation was ever taken for the use of my Family, Answereth that it never was as he know of. Jacob Wade denies the charge, Joshua Wade who lived on the plantation knows nothing of the Circumstances, as he saith, and only Nancy Vaughan appears to Know anything about it whose Testimony your Commissioner cannot rely on He therefore thinks this Charge ought not to be allowed

2.8.0 3rd Charge for 8 Bushells Wheat - denied by Jacob Wade in his Answer No 32, and says it was for Corn lent - Joshua Wade in Deposition No 17 is Questioned by Jacob Wade do you know anything of Wright's borrowing Corn of me, and what quantity, and when he was

to pay for it Answereth and saith. I know that Mr. Wright borrowed 7 or 8 bushells of Corn, and that he was to pay you in Wheat after Harvest. in deposition of Nancy Vaughan No. 28 she saith there that She knows of Jacob Wades geting 8 Bushells of Wheat of James Wright - Elisha Barton in Deposition No 21 being questioned by James Wright. do you recollect a Settlement Between Wade and myself concerning the Corn small grain &c and what about it, Answereth I was present at the Settlement of the small Grain between you and Jacob Wade, and considered it a final Settlement of the Small Grain, and you felt indebted to Wade one bushell of Rye, and agreed to pay it to me for said Wade, which you did, from the above Testimony It is thought this Charge ought not to be allowed

5.0.0 4th Charge for Oates made on my (J Wrights) place & Sold by you (J Wade) - denied by Jacob Wade. Nancy Vaughan saith she knows of Jacob Wade making away with about 3 bushells of Wrights Oats, see deposition No 28 - Joshua Wade saith he believes Jacob Wade did not make use of any of James Wrights Oats, see deposition 17. If Nancy Vaughans Testimony could be relied on, James Wright ought to be allowed for 3 bushells Oats. But as your Commissioner cannot ought to be allowed for 3 bushells Oats - But as your Commissioner cannot rely on her Testimony, he disallows this Charge

1.8.0 5th Charge for one Guinea lent J Wade - denied by Jacob Wade. Nancy Vaughan says she remembers very well James Wright lending Jacob Wade a Guinea, but does not mention time or place, re Deposition 28 - This Charge looks reasonable, and Nancy Vaughans Testimony is not contridicted by any other Witness. Your Commissioner therefore is distressed, as it may be right but he cannot put any Confidence in what the Witness saith, therefore cannot freely allow the Charge but must disallow it

0.11.6 6th Charge for 1 side Leather, denied by Jacob Wade. See Joshua Wade deposition No 17. & Nancy Vaughans Deposition No. 28. The Testimony is thought contridictary and the charge not established Therefore it is disallowed

5.0.0 7th Charge for pulling Elisha Hurts Tobacco (say Fodder) and Loosing 40,000 corn Hills of mine (J Wrights) or thereabouts. part of this charge is Acknowledged by Jacob Wade Viz 5 hands about four hours to pull Elisha Hurts Fodder, for which (J Wright) is Credited for 5/- in his Account with Jacob Wade, on which Judgment was obtained, your Commissioner cannot assertain the value of pulling E. Hurts Fodder only by the time given by Jacob Wade no time being given by James Wright or the Witnesses, and if Wade is Correct as to time your

Commissioner thinks the Credits enough, see Nancy Vaughans Deposition No. 28 - Wherein she says Wade pulled Elisha Hurts Fodder, and loosing 40,000 Cornhills or thereabouts of Wrights, see Joshua Wades deposition No. 17. He says he does not Know any Fodder was lost by J Wade pulling Elisha Hurts. see Elisha Hurts deposition No. 8 and T. Minors No. 25 - This charge is disallowed except 5/ credited as aforesaid

0.10.0 8th Charge for Stacking J Wades Fodder, Wade says in his Answer, he made compensation for this work by other Work, this h__ does not make appear, see Nancy Vaughan's deposition No 28 - & Joshua Wades Deposition No. 17 - From the Testimony your Commissioner thinks not more than one half of this charge ought to be allowed, which he has Carried to the Credite of James Wright with Jacob Wade, see Jacob Wades Account

1.0.0 9th Charge for 3 hands & two Horses Employed in geting Timber for your (J Wades) House and Haling it in - see J Wade's Answer No. 32. see Nancy Vaughans deposition No. 28, and Joshua Wades deposition No 16 & 17 - Joshua Wade in deposition No. 16 and Answer to Jacob Wades 13 Question, Saith Mr. Wright was to let Jacob Wade have the negro fellows & Horses by Bargain to build a Kitchen, and that Jacob Wade had them to raise and cover it, but to do no more, and also that Jacob Wade was to feed them. It appears to your Commissioner from all the circumstancese attending this charge, that finding provision was all the Compensation expected when the hands and Horses aforesaid were furnished, it not appearing any other Consideration was Mentioned. Therefore the Charge is disallowed

3.12.0 10th Charge for rent of a Field. Denied by Wade in his Answer 32, and says the rent was only £3.0.0 which he paid by giving him (J Wright) Credite with John Quin. See Josiah Auld's Deposition No. 1 - in which deposition he Saith James Wright has a Credite the 29th April 1797 - on John Quins Books by Jacob Wade for £3.0.0. See Nancy Vaughans Deposition No 28 & Joshua Wades Deposition No. 17 - From what appears, your Commissioner thinks this Charge should be disallowed

1.10.0 11th Charge for 2½ barrells Corn of Elisha Hurt. see Credite in J Wades General Account Disallowed

0.12.0 12 Charge for 2 hands sawing Slab Stuff 2 days denied by Jacob Wade in his Answer, and Saith it was paid by discount for pork - Its acknowledged by J Wright in his Bill that Work was discounted for pork, it not appearing, but what, this is part of the Work discounted for pork. The Charge therefore is disallowed

1.10.0 13th Charge for 2½ barrells Corn paid Wm. Davis. See J Wades General Acct. for Credite disallowed

0.7.6 14th Charge for 3 bushells Corn to Purnell see J Wades General Acct. for - Do - disallowed

See Wm. Browns deposition No. 18 - who saith therein that he paid John Quin in 1797 - on Acct. of James Wright 1012 lb of Tobacco, and money for 53 lb Tobo., which together makes 1065 lbs See Josiah Aulds deposition No 1. He saith it appears that Jacob Wade had Credite on John Quins Books for a hhd. Tobacco 1065, the 29 April 1797 - It's thought by your Commissioner this Charge should be disallowed

3.15.0 17 Charge for 5 barrells Corn at Sundry times - not Established, disallowed

0.1.6 18 Charge for Cash pd Capt. Wm Acknowledged, Allowed

0.7.6 19 Charge for J Wades part 8 Gallons & Whiskey denied not Established. Disallowed

1.1.5 20 Charge for J Wade's part of £6.12.0 for reaping denied not Established. Ditto

0.14.0 21st Charge for proportin Carriage Tobo, 1-1/10 of this Charge Allowed 12/2 being before credited in J Wades Acct. on which Judgment was obtained

10.0.0 22 Charge for Horse killed by J Wades Abuse - See Nancy Vaughan Deposition, No. 28. She saith thereon, She heard Jacob Wade say after Wrights Horse died, that he thought the abuse he had given him was the cause of his death, If your Commissioner could depend on the Testimony and was disposed to allow for the Horse Charged, he must be in the dark as to the Value. This Charge therefore is disallowed

___ Charge for Injury done by Jacob Wades Stock in 1796 which he was to make Good This Charge is left Blank, and your Commissioner, not knowing how to fill it up, leaves it still Blank. refers the Court to Depositions viz No. 5 - 7 - 8 - 10 - 14 - 16 - 17 - 21 - 25 - 26 & 28"

On May 11, 1815, John J. Wright of Rockingham County, North Carolina, the son of James Wright, filed suit in the Superior Court of Law and Chancery at Lynchburg, Virginia, regarding one of the deeds of trust that James Wright had signed. The complaint was filed in File 247 and provided as follows:

"To the Honourable Creed Taylor Chancellor for the Lynchburg District,

Humbly Complaining sheweth unto your Honor your Orator John J. Wright, that on the ___ day of ____ 1808 James Wright the father of your Orator, having previously mortgaged a negro man slave named Peter to a certain William Dent to secure the payment of £91 to said Dent and three other slaves to wit, Jacob, Ben, and Silvy to a certain Joseph Hardy to secure to him the payment of £192, entered into an agreement with a certain Christopher Clark (hereinafter called Defendant), that he, the said defendant should pay off the aforesaid sums of money to the said Dent and Hardy, and have the benefit of their mortgages aforesaid and that he, the said James Wright should have a right to redeem the said slaves at any time within three years then next ensuing. That at the same time it was further agreed by and between the said James Wright, and the said defendant, that until the said slaves were redeemed, the said defendant should be allowed Interest at the rate of 25 per centum per annum on the money advanced by him as aforesaid, and that the said defendant should employ the men slaves aforesaid in cutting wood at the Iron works in Franklin County where the wages or rate of Hire was unusually high until the said Defendant should be reimbursed out of their profits the principal money so as aforesaid to be advanced with Interest thereon as aforesaid. That the said defendant, as he says, accordingly paid off the before mentioned sums of money to the said Dent & Hardy, and took assignments from them of the Bills of Sale which had been given them by the said James Wright as aforesaid, and also of two Bonds which had been given by the said James Wright to the said Hardy, to wit, one for the sum of £16 for the hire of Ben, and Silvy, and the other for the sum of £7 for the hire of Ben, the said slaves having remained in the possession of the said James Wright, after they had been mortgaged as aforesaid to the said Joseph Hardy. And that money might be the sooner raised to reimburse the said Defendant the money so advanced by him as aforesaid, the said James Wright sent another negro man slave named York to work with the others at the Iron works under the direction of the said Defendant. That in the same year 1808 a

negro man slave named Bristoe who had been mortgaged by the said James Wright to Read and Robertson, but was still in the possession of the said James Wright, was distrained for the payment of rent amounting to £40 by a certain John Ward upon whose land the said James Wright then lived; and the said James Wright proposing to make sale of some Tobacco then on the rented premises for the purpose of paying the said rent, he, the said defendant proposed to the said James to suffer the said negro Bristoe to be sold, and that he the said Defendant would buy him in for the said James, and employ him at the Iron works with the before mentioned slaves, upon the same terms. and that the same James should have the same term of three years for his redemption. To this proposition the said James agreed, and the said slave Bristoe was accordingly purchased by the said defendant for £52 soon after which the said James Wright got his Tobacco to market, and let the said Defendant have a Hogshead of it on account of the purchase of the said slave Bristoe. That the said slaves Peter, Jacob, York, and Bristoe were sent to the Iron works as aforesaid in January 1808, and continued there until October or November following, when the said defendant without the knowledge or consent of the said James Wright took them away to his own House. That the said James Wright soon afterwards learning that the said Defendant had the said negros in his own possession, and meant to allow him only £21 annual Hire for each, he, the said James Wright went to him, and expressly refused to take that price for the said negroes as a much better price could be got for them at the Iron works aforesaid. Upon which the said defendant urged that he had put them under an overseer, and if he, the said James Wright would consent to let them remain with him, he would allow him £26 a year for each of them. But to this the said James Wright most positively objected, and insisted that the said negroes should be sent back to the said Iron works and there employed agreeably to contract, the said defendant having represented to him that their nett profits at said Iron works would amount to £125 per annun. Your Orator further sheweth to your Honor, that on the 14th day of February 1810, and a considerable time before the period of redemption allowed as aforesaid to the said James Wright had expired, the said James being indebted considerably to your Orator, sold to your Orator amongst other things his Equity of Redemption in the aforesaid slaves, as by a Deed of Conveyence duly proved, and recorded in the Register's office of the County of Rockingham, and State of North Carolina where the same was executed, (which Deed bearing the date and year last above mentioned is herewith exhibited and prayed to be taken as part of this Bill) will more fully appear, reference being had thereto. That in consequence of the said purchase from his Father your Orator has frequently applied to the said defendant both before the period of redemption aforesaid had elapsed and since for a settlement of the aforesaid transaction between him the said James Wright, and the said Defendant, but he, the said Defendant refuses to come to any settlement unless such a one as he shall dictate and requires of your Orator to allow him 25 per centum per annum Interest on the money so as aforesaid advanced by him, and still retains possession of the negroes aforesaid. That the

said James Wright placing the most unbounded confidence in the integrity of the said Defendant took no instrument of writing evidencing the contract allready herein set forth, so that your Orator has to depend upon the truth, and candour of the said defendant in disclosing fully the truth and real merits of the case. All which actings and doings on the part of the said Defendant are contrary to equity & good conscience and tend greatly to the Injury of your Orator in tender consideration whereof and for as much as your Orator is remediless at Law, and can only be relieved in your Honorable Court where matters of this nature are properly cognisable. To the end, therefore that the said Christopher Clark may be made to this Bill of Complaint, and compelled on oath to answer the premises fully, and particularly, and more especially that he may set forth & discover whether he did not know that the negroes Peter, Jacob, Ben, & Silvy were only mortgaged to the said Dent & Hardy notwithstanding the Bills of Sale given by the said James Wright whether the said defendant did not agree that the said James Wright might redeem the said negroes at any time within three years, whether the said James Wright was not by agreement to give the said Defendant the illegal & usurious Interest of 25 per centum per annum? What sum or sums of money he actually paid for the said James Wright to the said Dent & Hardy. What were the profits of the said slaves whilst they remained at the Iron works & how long they continued there? May it please your Honor to grant to your Orator the Commonwealth's most gracious bond of subpena commanding etc and that your Honor will graciously permit your Orator to redeem the said slaves, he the said defendant being compelled to receive the principal money so as aforesaid advanced by him for the said James Wright and to decree that the said defendant account for the back profits of the said slaves since he had them in possession and to grant to your Orator such other & further relief as the ____ities of his case require & as in duty bound he will ever pray.

Tucker, Risqua & Dabnee"

As will be set forth below the witnesses William P. Wright and Lilbourn Wright were the sons of James Wright.

There were other filings and depositions in this file regarding the dispute, the terms of the agreement, and the use of the slaves. One of those depositions was by William P. Wright dated October 14, 1816, at the house of John Header in Bedford County, suggesting that James Wright's son William P. Wright was still in Bedford County at that time.

The order determining the matter in File 247 was filed May 15, 1817, and provided as follows:

> "All matters of difference between the parties in this cause being submitted to us, we do award and determine.
>
> That the plaintiff hath the right to redeem the slaves Sylvia Peter, & Jacob in the Bill mentioned upon paying to the defendant all just claims which the Defendant had against James Wright the father of the Plaintiff originating before notice of the transfer of the equity of Redemption of the said James Wright to the plaintiff We do further award that the defendant is liable for the hire of Bristoe from the time he came to his possession until the emantion of the writ of the suit instituted against him in Bedford Superior Court of Law by Read & Robinson and determined in Franklin Superior Court of Law

>
> That the Defendant be allowed legal Interest upon all sums paid to or advanced for James Wright from the time they respectively came due.

> T. R. Gilmen
> Thomas T. Bouchier
> 15th May 1817"

That did not conclude the suit, however, and Jno. J. Wright moved the court to allow the matter to go to trial on May 13, 1820, protesting the many delays by Christopher Clark in bringing the matter to trial. On October 16, 1820, John J. Wright noticed the deposition of James Wright to be taken on December 13, 1820, at Benjamin

Watkins Store in Pittsylvania County, Virginia. On May 15, 1820, Jno. Wright noticed the deposition for June 28, 1820, of James Williamson and Prudence Wright at the house of Lilbourn Wright in the town of Russellville, Logan County, Kentucky. James Wright's deposition was taken October 16, 1820, at the Franklin Hotel, Lynchburg, Virginia, indicating that he still resided in or near Bedford County, Virginia, at that time.

On February 27, 1818, William Calloway, William Leftwich, and Thomas Lumpkin filed a complaint against James Wright for debts due to them and to set aside the conveyance to James Wright's son John J. Wright in 1810 as a fraudulent conveyance meant to defeat their claims. The suit is in File 131 of the Superior Court of Law and Chancery, Lynchburg, Virginia. The complaint stated that James Wright was indebted to their company for the sum of fifty six pounds, nineteen shillings, seven pence with interest from 1792.

The answer of John J. Wright in File 131 was filed on May 16, 1818, and was similar to his answer in the Christopher Clark suit mentioned above and stated in part as follows:

> ". . . . that the consideration in the bill of sale from James Wright to this defendant which is mentioned in the bill of the complainants was really and bona fide paid by this defendant in the years 1808 and 1809 principally in cash and to a small amount in goods, the particulars of which are not now recollected by this defendant, but will appear by this defendant's account against the said James Wright to be hereafter produced if required by this honourable Court. That at the time these advances were made by this defendant to his father the said James Wright this defendant resided in the County of Rockingham & State of North Carolina, where he did business as a merchant, and as he had left his father when he was not more than fourteen years of age he was not well acquainted with the affairs of the said James Wright, and supposed from the property which he had when he left him, that he still was in good circumstances. That early in the year of 1810 this defendant having learnt that his father's affairs were greatly embarrassed, and that most of his property, if not the whole, was encumbered with deeds of trust, mortgages, &c, this defendant became uneasy and took occasion on meeting with his father at this defendant's house in Rockingham where he had come for the purpose of procuring a further supply of money from this defendant, to insist on being repaid or made secure for the advances he had previously made, upon which the said James Wright admitted that the whole of his property was then under incumbrances to Reed & Robertson, Thrasyphilous Minor, the defendant Christopher Clark & others, and proposed to sell to this defendant the equity of redemption in the said property, which might at a future day, be sufficient fully to indemnify this defendant, to which proposal this

defendant, not knowing what he could do better acceded, and the bargain was made which in a few days afterwards was carried into execution by the bill of sale of aforesaid, which bill of sale was thought by the parties most proper to execute in the County of Bedford at the home of the said James Wright where part of the said property then was which bill of sale is now filed in the suit of Wright v Clark in this honourable Court & a copy of which is hereto annexed. This defendant was not present at the execution of the said bill of sale but he wrote to his brother William P. Wright who had previously lived in his store to act for him in the business. This defendant knows not if the said conveyance contained all the property of the said James Wright no otherwise than as he was informed by his said father - but the whole of it has been since taken to satisfy prior incumbrances or executions except three slaves which this defendant has lately recovered of Christopher Clark aforesaid in this honorable Court by virtue of the bill of sale, which slaves constitute the property now attached by the complainants, and the possession of which he cannot obtain under the decree of this Court without paying to the said Christopher Clark the sum of £149 after deducting his costs. The debts & suits mentioned in the bill of sale have been altogether unproductive. This defendant positively denies that there is any collusion between the said James Wright & himself or that there is any intention or agreement on his part to put the property he has recovered in the possession of the said James Wright. That from the advances made to his father before this defendant made the purchase & the trouble & expence in which he has been already involved, and with which he is threatened to be still further pursecuted, he has great doubts whether he will ever be indemnifyed from the proceeds of the purchase aforesaid. But while he shall feel fully justified to his conscience in taking the full benefit of his bargain, should it eventually prove advantageous, he trusts he is not so lost to the feelings of natural affection as not to afford an occasional assistance to a parent who so greatly needs it . . . ."

That answer clearly identifies both John J. Wright and William P. Wright as sons of James Wright.

Thereafter on March 8, 1819, the deposition of James Wright was taken at the courthouse in Henry County, Virginia.

On March 20, 1819, William P. Wright gave his deposition at his house in Logan County, Kentucky, which provided in part as follows:

". . . . William P. Wright being of lawful age . . . . this deponant first acquainted John J Wright of his fathers situation after which John J Wright requested me to act for him in the business of the execution of the bill of sale . . . ."

This deposition clearly identifies William P. Wright as the son of James Wright and indicates that his date of birth was prior to March 20, 1798, and that he resided in Logan County, Kentucky by March 20, 1819.

On March 20, 1819, the deposition of Thomas G. Gentry was taken at Williamson County, Tennessee, in which he stated in part:

> ". . . . that some time in the fore part in the year 1810 (January or February) he lived with John J. Wright and done business for him in his store. . . ."

Thomas G. Gentry went on to confirm the execution of the bill of sale to establish security for John J. Wright for debts owed to him by James Wright.

There was also a deposition of Richard Williams on March 25, 1819, at Rockingham County, North Carolina, supporting the validity of the bill of sale from James Wright to John J. Wright to secure the debts owed by James Wright to John J. Wright.

Finally, there was an undated argument of counsel in the file, but no indication of how the suit was finally resolved.

A similar suit was filed by Drury Holland against James Wright and John J. Wright on a bond for which Drury Holland had had to the security. This complaint was in the Superior Court of Law in Chancery at Lynchburg, File 130, and virtually identical copies of the complaint, answers, and depositions were filed there as in File 131.

As discussed above in connection with 1805 Thomas Wright, on September 13, 1819, James Wright and other descendants of 1779 John Wright filed a cross-complaint in the case of Davidson v. Flemming, Superior Court of Law and Chancery at Lynchburg, File 525, regarding the estate of Robert Wright, the son of 1805 Thomas Wright and grandson of 1779 John Wright. The cross- complaint provided as follows:

> "To the honourable Judge of the Chancery Court holden in Lynchburg in Chancery sitting humbling complaining shew unto your honour your Orators and Oritrices Prior Wright James Wright John Wright Robert Coleman Elizabeth Coleman Mayes Pendleton James Woolridge and Mary Williamson;
>
> That a certain Thomas Wright late of Campbell County departed this life some time in the year eighteen hundred and five possessed of land well entitled to a considerable estate real and personal consisting of one Tract of Land lying and being on the waters of Beaver Creek in the County of Campbell containing by

estimations three hundred and seventy five acres sundry slaves and other personal estate consisting of stocks, money, etc; That the said Thomas Wright made his will in his lifetime which was after his death admitted to record in the County Court of Campbell the copy of which is herewith filed and prayed to be received as a part of this bill by which will the said Thomas gave the Land and the greater part of the personal estate aforesaid to a negro man born a slave the property of the said Thomas Wright by the name of Robert Wright which said slave was never legally emancipated; After the death of the said Thomas Wright the said Robert Wright was permitted to go at large and by some means possessed himself of the estate aforesaid; That the said Robert pretended to marry a white woman of the name of Polly Godsy which said Polly during the pretended marriage had a male child by the name of Thomas P. Wright alias Thomas P. Godsy and afterwards in the life of the said Robert left this country and went into parts to your Orators and Oratrices unknown; Afterwards the said Robert took to live with him a white woman by the name of Polly Davidson who within nine months next after the death of the said Robert had a female child by the name of Martha Anne Davison which said child has since died; That the said Robert died some time in the year eighteen hundred and eighteen being still a slave and incapable in law of holding or disposing of property; Since the death of the said Robert the County Court of Campbell has committed the property of aforesaid of which the said Robert died possessed to wit the property which he possessed himself of in the manner aforesaid to the hands of Samuel Flemming as administrator of Robert Wright pendente lite; That a suit has been brought in this honourable Court by Polly Davidson and others with a view to set up a pretended will of the said Robert Wright against Thomas P. Wright and others; your Orators and Oratrices beg leave to state that the said Thomas Wright was never married; That his heirs and next of kin him surviving were his two brothers to wit your Orators Prior Wright and James Wright your Orator John Wright the only child of his brother John Wright who died before him your Orator Robert Coleman and Oratrix Elizabeth Coleman the children of his sister Nancy Coleman who also died before him, your Oratrix Mary Williamson his sister who was a widow at his death, Mayes Pendleton the grandchild of Nancy Coleman his sister as aforesaid, and James Wooldridge also a grandchild of the said Nancy; your Orators and Oratrices are advised that so much of the will of Thomas Wright deceased as disposes of his estate to Robert Wright his slave as aforesaid is void and that they are as fully entitled to the property aforesaid as if the said Thomas had died intestate. Your Orators and Oratrices further charge that the said Samuel Flemming has taken possession of the whole estate of aforesaid real and personal and refuses to deliver the same to your Orators and Oratrices or to account for the rents and profits thereof; All which actings and doings are contrary to Equity and good conscience and tend to the manifest oppression and injury of your Orators and Oratrices; They therefore pray that the said Samuel Flemming administrator as aforesaid Polly Davidson alias Polly Wright and Thomas P. Wright alias Thomas P. Godsey be made Defendants to this bill and be made to answer the same upon their oaths and that your honour

will order and decree that the said Samuel Flemming shall render an account the rents and profits of the estate aforesaid and that he be compelled to deliver up the same & pay over the rents and profits to your Orators and Oratrices or so much thereof as was of the estate of Thomas Wright deceased and its increase as well real and personal and that this suit be set down to be heard and tried at the same time with the above mentioned suit brought by Polly Davidson & others against Samuel Flemming & others and whatever other and further relief the nature of their case may require or to Equity may seem meat etc.

Tucker & Marshall for
Plaintiffs"

This cross-complaint clearly identifies James Wright as the son of 1779 John Wright; the names of the children of 1779 John Wright named in this cross-complaint are the same as the children named in his will. The identification is further confirmed by two depositions in that case.

The first deposition was that of John Harris on February 1, 1821, which provided as follows:

"He was acquainted with Thomas Wright Decd of Campbell County and knows that Pryor Wright, James Wright, was brothers of Thomas Wright Decd and John Wright a Brother's son of John Wright, who was Brother of Thomas Wright Decd, & Robert Coleman & Elizabeth Coleman children and heirs of Nancy Coleman Decd, who was sister of Thomas Wright Decd, James Wooldridge, and Mace Pendleton grandsons of Nancy Coleman Decd who was sister of Thomas Wright Decd of Campbell County.

Quest 1st. You always understood that this negro woman of Thomas Wright Decd by the name of Silvia was a slave. Ansr. That I always understood

Quest 2nd Is not Mace Pendleton an orphan born and was under age Ansr. I believe that is so

Quest 3rd How old are you this date. Ansr. Seventy Six years.

John Harris Senr."

The second deposition was that of Daniel B. Perrow on February 5, 1821, which provided as follows:

"Quest by same Do you know that Pryor Wright & James Wright were brothers of Thos Wright decd of Campbell County

Ansr. I always understood so"

Quest by same Is John Wright, a son of John Wright the brother of Thos Wright - decd & Mary Williamson sister of Thos Wright decd

Ansr. I always understood so"

On May 3, 1825, at Bedford County, Virginia, D.B. 19/197 James Wright, still described as of Bedford County, executed a final deed of trust to William Minor and Ambrose Rucker of Bedford to secure the debts of James paid by Threesirellup(?) Minor:

The reference to William Brown Mecrday & Co. and W. Brown & Co. identifies this James Wright as the same as the James Wright of the deed of trust at Bedford County, Virginia, D.B. 12/121 and 12/164. That suit has been discussed above.

There was a deed of trust dated October 20, 1832, and recorded at Bedford County, Virginia, D.B. 23/182 from a James Right, but the spelling of the name was different and it was signed with an "X", whereas all of the prior deeds of trust were signed by James Wright. This deed of trust was probably by James Wright, the son of Sylvie Wright.

The estate of James Wright has not as yet been located, but, as mentioned above, Leftwich - Turner Families Of Virginia And Their Connections stated at page 20 that Prudence Turner, the daughter of Richard Turner and Nancy Johns, "married James Wright. They removed to Russellville, Ky. Among issue:

(a) Robert A. Wright, b. 1797. He was living in Russellville, Ky. in 1821, and in New Orleans, La., in 1836.

(b) Ann Wright. She was teaching school at Tuscaloosa, Ala., in 1821.

(c) Lilbourn Wright. He was living in Russellville, Ky., in 1819, where he married Mary _____, March 2, 1819. In 1822 he was living in Cooper City, Booneville County, Mo.

(d) James T. Wright, d. in Lynchburg, Va., in 1822.

(e) William Wright."

As mentioned above, James Wright also had a son John J. Wright of Rockingham County, North Carolina.

Leftwich-Turner Families also included at page 239 a letter dated May 5, 1821, from Robert A. Wright to General Joel Leftwich which provided in part as follows:

". . . . P.S. - Mother authorizes me to state that she has been very much afflicted with the rheumatism for six months back, she is in hopes she is on the mend. She sends her love to Aunt Nancy, Grandmother, Uncle Turner and all inquiring friends."

A second letter dated March 11, 1821, from Robert A. Wright to Mrs. Nancy Leftwich provided in part as follows:

". . . . Mother has written to you but she requests me to write you to remember her love to her brother, Augustine Leftwich, and tell him if he is willing to part with Wesleys Hymn Book to please send it to her by Mrs. Jones as there are some hymns in it she is very fond of and one cannot be gotten in this country. . . ."

Logan County, Kentucky, Newspaper Genealogical Abstracts, Volume IV, compiled by Montgomery Vanderpool, listed the death of Prudence Wright on January 11, 1826, at the residence of her son William in Russellville, Kentucky:

Page 46:

"Weekly Messenger, Saturday, January 14, 1826:

Departed this life on Wednesday morning the llth of January 1826, at the residence of her son William; in the town of Russellville, Mrs. Prudence Wright in the 66th year of her age."

This record indicates that Prudence (Turner) Wright was born in about 1760.

From the evidence set forth above and additional evidence set forth below, the children of James Wright and Prudence (Turner) Wright were the following:

1) James T. Wright, born between February 3, 1787 and February 2, 1788,
2) John J. Wright, born probably after February 14, 1789,
3) William Pascal Wright, born between 1775 and 1794,
4) Lilbourn Wright, born between 1790 and 1794,
5) Ann Wright, and
6) Robert A. Wright, born in June 1797 at Virginia.

We three of the commissioners appointed by the annexed order of court have examined the account of George Pollard, administrator of James T Wright deceased and find a balance in the hands of the administrator of Two Thousand and seventy seven Dollars Seventy five cents To affect this balance the administrator has produced to us the books of Wright and Pollard late a mercantile firm in the Town of Lynchburg which firm the intestate and his administrators were the only partners these Books shews a balance against the intestate James T Wright of $12,777.20 cts due to the firm of Wright and Pollard those Books were kept by the said Wright in his life time and the principal part of the entries were made before his death a copy of his account from the Books is herewith filed marked A and has been examined by us. The administrator has also produced to us the articles of copartnership between himself and his intestate which is also herewith filed marked B. The account marked A and the articles of copartnership were exhibited to us by the administrator as evidence on which to charge the Estate of his Intestate with the sum due from him as a partner to the concern. The administrator also filed his own account with the concern which is herewith filed Marked C by which it appears that he is indebted to the concern the sum of $1086.19 cts this he also wished credited to the estate when reduced to an individual Debt. These your commissioners thought it right and proper to do if they had considered themselves authorised to adjust the partner accounts between the parties but not knowing the extent of their authority and fearing alike to trespass on the rights of the parties and the authority given them by the court they exhibit to your worships another statement in which they include those items and submitting to the court which of those two accounts will best comport with Justice to the parties and the authority of the Commissioners. Your commissioners beg leave further to report that the Administrator has furnished them with a list of Debts herewith filed marked D, by which it appears that sundry debts are still due the firm of Wright and Pollard amounting to $3583.79 uncollected There is also some real Estate undisposed of these debts when collected and the property when sold will go to the Credit of the late firm but whether the firm is owing debts or not your commissioners cannot say from this view it will be shewn to the court that a final settlement of the business of the firm and the estate cannot be made at this time. Another subject is submitted to the court for their opinion it is this the articles of copartnership makes no provision for what has happened the death of a partner the closeing of the whol

business devolves upon the surviving partner for this Expence and trouble of closing the business the commissioners thinks a reasonable allowance ought to be made if the concern is able to pay it which at this time cannot be assertained. If the court thinks the last statement ought to be received by them as the administration account then the estate of James T Wright will be owing to the administrator the sum of Three Thousand seven hundred sixty seven dollars Seventy five and a half cents but to go to the credit of this balance will be one half of the debts uncollected when they are collected and one half of the sales of the property in the paper herewith filed marked D provided the firm of Wright and Pollard owes no debts and the half after the debts are paid If any should remain after paying them. All of which is respectfully submitted to your worships Given under our hands this 13th day of November 1823

George Pollard excepts to so much of this report as presents the account on this side of the paper because the commissioners have not allowed the Admr credits for the breaches of the covenant marked A.

Anna Byrd, Samuel Wilson and Charles Johnston by their counsel except to account No. 2 on the opposit page on the following grounds 1st that the said George Pollard surviving partner of Wright and Pollard is not in law a creditor by specialty so as to entitle him to retain as administrator of the estate of James T Wright decd the assets of the said Estate in preference to their claims against the said Wright individually which are due by specialty. 2. That the said Pollard cannot retain as surviving partner the partnership Effects of Wright and Pollard and as administrator of the said Wright retain also the assets of said Wright to pay a balance due from the said Wright to him as surviving partner At a court held for Campbell County February 9th 1824 The within account of the Estate of James T Wright decd with George Pollard his administrator was produced in court and ordered to lie one month for exceptions and a court continued and held for the said County August 12th 1824 The same was again produced in court and Exceptions having been taken thereto by the said administrator and Anna Byrd, Charles Johnston and Samuel Wilson the same were argued whereupon the court do overrule the exceptions of said Byrd Johnston and Wilson to the

account aforesaid and do sustain the exceptions of the administrator to the first account as report confirm the second statement of the commissioners considering the said administrator as a creditor under the covenant or articles of copartnership and therefore having a right to retain as against bond creditors and order that the same be recorded

In February 1824 at Campbell County, Virginia, County Court Order Book 15/305 an accounting of the estate of James T. Wright was filed with the court:

Subsequent to the death of James T. Wright, his estate was involved in litigation with Micajah Pendleton regarding a contract to purchase a slave and hire six boatmen. These records are in File 844, Superior Court of Law and Chancery, Lynchburg, Virginia.

The oldest document in the file was the petition of Micajah Pendleton to the Superior Court of Law and Chancery in Lynchburg, dated March 25, 1824, which provided as follows:

"To the Hon. Creed Tayler, Judge of the Superior Court of Chancery for the Lynchburg District:

The petition of Micajah Pendleton sheweth, that he heretofore enjoined a judgment recovered against him in detinue by George Pollard admr of James T. Wright decd in Campbell County Court, upon the ground that not one cent had ever been paid for the slave, and seeking to set off his jugt. for the purchase money, obtained at the same moment, against the admrs. judgt. for the same slave: requiring a discovery of the nature and extent of the admrs own claims and further asking an account of his administration, and of the partnership effects of 'Wright & Pollard - requiring a disclosure of the real and personal property belonging to the firm, the amount of outstanding debts and asking that all those partnership funds should be applied to the payment of the partnership debts, before he should be required to surrender his slave without any compensation whatever even if the admr had a superior equity. By his two answers he shows distinctly that there is a considerable outstanding debt which he deems good. And a large amount of real estate consisting of houses and lots in the town of Lynchburg and lands in the County - all of which ought first to be disposed of in judgment of his pretended debt, before he should be allowed to rest from the possession of your petitioner his slave as aforesaid without one cents consideration. Yet the county court of Campbell from some strange infatuation dissolved his injunction, without any legal evidence of the state of the partnership accounts, or of the admrs being a creditor of equal degree and entitled to priority there was not so much as the covenant or articles of copartnery before them. All of which may more fully be seen by the record marked A herewith submitted ____ as a part of this petition. The proceedings of said county Court are unjust and oppressive upon your petitioner, and he is now remediless except in this court, in which such errors are corrected and equal and evenhanded justice bestowed. To that end therefore, he prays that your honor award him an appeal or supersedeas to the said interlocutory decree of Campbell County Court - that the same be brought up to the Superior Court of Chy. for the Lynchburg District, for revision and further proceedings to be had therein, according to the right of the case, as in duty he will pray &c

Micajah Pendleton

The undersign practicing attornies in the Superior Court of Chancery for the Lynchburg District, do certify that the decision of the County Court of Campbell in dissolving the injunction refered to in the foregoing petition is, in their opinions, erroneous, as manifestly appears from the record and ought to be set aside - the superior right of Wrights admr right to be ascertained and the extent of his claim:

the partnership effects ought to be disposed of in discharge of the partnership demands, or by which means there might be no necessity of collecting the jugt v Pendleton

The next oldest document in the file was a plea before the Campbell County Court on August 14, 1824, which provided as follows:

"Virginia to wit

Pleas before the worshipful the justices of the county court of Campbell the 14th day of August 1824 In the 49th year of the Commonwealth

Be it remembered that heretofore to Wit At rules held in the clerks office of the county court of Campbell the ____ day of September 1822 came Micajah Pendleton by his attorney and brought his bill against George Pollard administrator of James T. Wright deceased which is in the words and figures following to wit

Campbell County ct

Micajah Pendleton complains of George Pollard administrator of all and singular the goods and chattels, rights and credits of James Wright decd in custody &c of a plea that the deft render unto the plff the sum of nine hundred dollars which from him he unjustly detains, for that the said James Wright in his lifetime on the 12 day of December 1821 at the County aforesaid by his certain writing obligatory sealed with his seal and to the court now here shewn the date whereof is the same day and year aforesaid promised to pay to ____ meaning the sd. plaintiff the said sum of nine hundred dollars for the purchase of a negro man slave named Billy and the hire of six watermen to be paid as follows to wit $200: at three months from the date of said writing obligatory $250: at six months and $450: at 12 months from the date of said writing obligatory - nevertheless the said defts intestate in his life time did not pay to the said pltffs intestate, the said sum of $900 at the times aforesaid nor before nor hath the deft since his death paid the same or any part thereof, but the same to do haith hitherto altogether

refused and still doth refuse to the pltffs damage $900 & therefore he brings suit etc

And the sheriff having returned the copies awarded against the defendant in this cause "not found" it is ordered that an alias capias issue against said defendant returnable to the next quarterly term - At another day to wit at rules held in the clerks office of the county court aforesaid the ____ day of December 1822 The defendant being arrested and not appearing on the motion of the plaintiff by his attorney it is ordered that judgment be entered against the said defendant for the debt in the declaration mentioned and costs to be levied of the goods and chattels of the intestate James T Wright decd in the hands of the defendant to be administered unless he shall appear at the next rules to be held in the clerks office of said court and plead to issue - at another day to wit At rules held in the clerks office of the county court aforesaid the ____ day of January 1823 came the plaintiff aforesaid by his attorney and the defendant still failing to appear and plead it is ordered that the rule made against the defendant at the last rules be confirmed - and that the plaintiffs damages be ascertained by a Jury to be impannelled at the next Term - At another day to wit At a court of quarterly sessions continued and held for the said court the ____ day of March 1824 For reasons appearing to the court this cause is continued until the next term. At another day to wit At a court of quarterly session continued and held for the said county the 14th day of August 1824 came the parties aforesaid by their attornies and on the motion of the defendant the office judgment and writ of enquiry entered at the rules is set aside and he has liberty to plead and thereupon he says he has well and truely administered all and singular the goods and chattels rights and credits of his intestate which have come to his hands to be administered and of this he puts himself upon the county and the plaintiff replies generally and doth the like. and thereupon came a Jury to wit Barrist Frick, John Depriest, Davis Robinson, James Wiley, Jonathan Johnson, Quarles Tompkins, John R. D. Payne, Robert Mitchell, James Lester, Daniel Oglesby, John Teliason, and James C. McReynolds who being elected tried and sworn the truth of and upon the premises to speak upon the issue joined upon their oaths do say "We the jury find for the plaintiff Three hundred dollars damages with interest thereon from the 1st day of August 1822 we likewise find that the defendant has fully administered all the assets which have come to his hands to be adminstered". Therefore it is considered by the court that the plaintiff recover against the defendant his damages aforesaid in form aforesaid assessed by the jury and his cost by him about his suit in this behalf expended to be levied of the goods and chattels of the said James T Wright decd when assets sufficient shall come to the hands of the defendant to be administered It is further considered by the court that the defendant recover against the plaintiff his cost by him about his defense in this behalf expended.

The following is a copy of the writing filed by the plaintiff as an exhibit in this cause -

"Robin, Harry & Jordan & 1 Boat to be returned at the end of the year - Jesse Wiltcher and Steven & 1 Boat to be returned at the end of the year - 300

In August 1824 at Campbell County, Virginia, County Court Order Book 15/440 the court ruled on the objections to the accounting for the estate:

"An account current of the estate of James T Wright deced with George Pollard his admr and which has been heretofore continued for exceptions which this day came on to be heard together with the exceptions filed On hearing the Court doth overrule the exceptions of Charles Johnston Anne Byrd & others to the account or second statement reported and doth sustain the exception of the Administrator to the first account or statement And doth confirm the second statment by the Commissioners considering the said Admr as a creditor and as the covenant or articles of copartnership and therefore as having a right to retain as against the bond Creditors and the Court doth Confirm the same and direct to be entered of Record."

On August 14, 1824, at Campbell County, Virginia, County Court Order Book 15/444 a jury found for the plaintiff in a claim of $845.62 against the estate of James T. Wright:

"Byrd assee v Wrights adm, Place of Payment and to the former pled to which the Plf replies Generally and thereupon Came also a Jury To wit. Bernard Finch Jr Samuel Jordan Peyton Gleim Granville Jordan George G Garner James Lester Abraham Stratton William Jones Bernard Finch Senr German Jordan Simeon Austin & Isaiah Haston returned a Verdict for the Plaintiff for $845.62 with Interest from 1st January 1822 the Debt in the declaration mentioned and also find that the Deft hath fully administered the assets of James T Wright decd as far as have Come to his hands and Judt accordingly"

In September 1824 at Campbell County, Virginia, County Court Order Book 16/7 an injunction was obtained by Micajah Pendleton to stay a judgment obtained against him by George Pollard, as administrator of the estate of James T. Wright;

> "On the motion of Micajah Pendleton an injunction is granted him to stay the proceedings on a Judgm obtained against him by George Pollard admr of James T Wright Decd who filed his bill, made oath thereto & leave is given him to give bond and security in the Clerks office"

The next document in File 844 appears to be a summary of the case including the pleas of the parties and an accounting for the estate of James T. Wright. The documents provide as follows:

> "To the Justices of Campbell County in Chancery sitting
>
> Your orator Micajah Pendleton of Nelson County complaining sheweth to your worships that about the end of the year 1821 or the first of the year 1822 he sold to one James T Wright of Lynchburg a partner of the merchantile firm of Wright and Pollard of said place a certain negro man slave named Billy at the price of $300 - and executed his bill of sale with general warranty, and at the same time hired him six other boatmen at the price of $___ and took his said Wrights obligation under seal for the payment by instalments, all due in that year, an office copy of which will be filed as a part of this bill; that very shortly thereafter the said Wright departed this life intestate and administration of his estate was some time thereafter committed to George Pollard his surviving partner in trade one Abraham Stetten had the management of all said slaves either as a partner of said Wright - or Wright and Pollard or as the agent of said Wright or Wright & Pollard and after the death of said Wright returned the hired hands to your orator to which said Pollard assented after his qualification as admr aforesaid, your orator also with the other hands took back said Billy before any administration upon said Wright's estate and felt well justified in returning him, as a part of the same contract which had been canceled, unless the said admr would agree to pay his purchase money, which he refused to do alledging that said Wright decd his former partner was indebted to him on company account to an amount greater than the value of his personal estate which he as admr should hold in discharge of his own debt and has actually sold the Wrights personal Estate or the most of it which came into his hands to a large amount greatly more than sufficient to pay all his said Wrights individual debts and has actually appropriated the same to his pretended claim for company transactions against said decedent not content with this he instituted his action of detinue against your orator for Billy and at the last August Court of Campbell County recovered a judgment upon the bill of sale aforesaid for the said negro if to be had or $250 his value and $100 damages and cost of suit and has issued his distingus casa(?) against your orator, which has been executed upon his body in

Lynchburg and to release himself from custody he has been compeled illegally to execute to a forth coming bond for the full amount of said judt not having the slave Billy present to surrender him if he should properly do so, your orator at the same time that he was sued by the said Pollard also brought his suit against him for the purchase money and recovered a judgment at the same Court for $300: with Interest & cost, in amount nearly equal to Pollards recovery against him; the court as he is advised sustained the said Pollards plea of fully administered to your orators suit and allowed him to retain to his own use the proceeds of Wrights property sold by him as admr in payment of an unliquidated claim growing out of the extensive partnership of Wright & Pollard Your orator is advised this is improper, that as the company debts and effects survived to the said Pollard that they were pecularly applicable to the payment of Company Debts and debts between the partners, and that the individual property of James T Wright should be applied to the payment of his own debts at least bond debts in preference to an unliquidated company transaction Your orator further charges that the said Pollard has not fully administered the said Wrights estate particularly that he has not accounted for the value for the slave Billy if he should be entitled to him & divers other property which did or ought of right to have come to his hands for administration he further has been informed and therefore charges that said Wright and Pollard owned considerable real estate the exact quantity or discription is unknown to your orator and to ascertain which he shall have to rely upon the disclosure of said Pollard and such title papers & evidence that he shall hereafter be enabled to procure which he insists shall be taken by the surviving partner at cost or sold in payment of his pretended claim against his deceased partner should it be thought that the partnership debt has a preference; he is further advised & therefore charges that said Wright died seized and possessed of several houses and lots in the Town of Lynchburg and other real Estate in the County subject to the payment of his bond debts the exact number and discription of the lots & Houses in Town or the land in the county he has not yet been enabled to asertain and shall in part have to depend upon the disclosure of said admr and the heirs at law of said Wright and upon such other title papers & evidence as he may hereafter be enable to obtain, he is further informed and therefore charges that said Wright was entitled to an interest in the estate of Wm Bard decd which the said admr should investigate and bring into his administration account, or that it should otherwise be subjected to the payment of his debts the said Wright at the time of his death left but one child that an infant since dead Mrs. Nancy Wright the widow and relict of said James T Wright decd yet living who with the said admr your Orator prays may be made party to defendants to this bill true and perfect answers to make to all in singular the allegations thereof in as full and ample form as if thereto more particularly interrogated. that the said admr be required to adjust and settle his admr account as aforesaid and distinctly to shew what property either real or personal remains unsold what debts and legacies remain outstanding belonging to said Wright decd and all other things needful and proper in relation to this subject; that he say if your orator has ever received one cent for Billy and

wherefore he Inniquetusly attempts to recover him from his possession without first paying or securing to be paid the purchase money; Your orator being remediless except in a Court of Chancery prays that said Pollard be restrained and Inhibited from proceeding upon his said Judgment at law untill this matter can be heard in equity and finally that the court decree and offset his Judgment of $300: interest and cost against the said admrs in discharge of the said admrs Judgment as aforesaid decreed & subject the real estate of which said Wright died seized & possed with, all such other and further aid and relief as made be just & right - and as in equity bound will ever pray &c

The Separate answer of George Pollard, Administrator of James T. Wright decd to a Bill of Complaint exhibited against himself and others in the County Court of Campbell by Micajah Pendleton This respondant saving and reserving to himself the full benefit of all just exceptions to the many errors and uncertainties in the said Bill of complaint contained for answer to so much thereof as he is advised it is any way material he should answer he answers and says That it is true he was a partner with James T Wright in the mercantile business which was carried on in the Town of Lynchburg which partner ship by its original limitations was within a few days of its termination at the death of the said Wright but this respondant had no interest or concern in the contract set forth in the bill for the purchase of the slave Billy and the hire of six boatmen nor did this respondant know any thing of the contract untill several months after the death of the said Wright that as this respondant is informed and believes was an individual contract of the said Wrights for his own benefit the partnership as above stated was upon the eve of its termination and this contract as this respondent presumes was made by the said Wright with a view to the transaction of business in his own name It is likewise true that administration of the goods & chattels of James T. Wright was committed to this respondant, that he has no recollection of ever agreeing with the Plaintiff or any other person to rescind the contract made between the said plff and Wright for the hire of six boatmen, but believes from what he has heard that the said contract was rescinded by one Abraham Stratton who he had been informed was interested with the said Wright in the hire of the said Boatmen; But this contract was not as alledged by the Plaintiff a part of the same contract with that for the purchase of the said Billy Indeed the Plaintiff so far as this respondant is informed and believes never did untill the exhibition of this bill

pretend that the contract for the purchase of Billy had been rescinded. It is true that this respondant instituted an action of Detinue in this Court against the Plaintiff for the slave Billy - Billy as the respondant is informed and believes was delivered by the Plaintiff to his intestate at the time of the contract and remained in his possession to the time of his death. after his death the complainant very improperly obtained the possession of him & detained him at the August term the action of Detinue coming on to be tried this respondant recovered a Judgment for Billy of the value of two hundred & fifty dollars and one hundred dollars damages for his detention On the same day this respondant commenced the action of Detinue as he is informed and believes the complainant commenced an action of Debt against him as the administrator of James T Wright upon a bond of the said Wrights to him for the sum of three hundred dollars and both suits coming on to be tried together the Jury as this respondant is informed which found a virdict in his favor for the slave Billy & the damages aforesaid found likewise a verdict in his favor upon the plea of fully administered in the complainants action of debt against him as the administrator of James T. Wright and the Court gave Judgment accordingly This respondant further answering states that he was a creditor of James T Wright individually to a large amount for a breach of convenant and although the convenant had relation to the partnership yet the breaches thereof by the said Wright constituted not partnership demands as alledged by the complainant but to all intents and purposes an individualm Stratton who he had been informed was interested with the said Wright in the hire of the said Boatmen; But this contract was not as alledged by the Plaintiff a part of the same contract with that for the purchase of the said Billy Indeed the Plaintiff so far as this respondant is informed and believes never did untill the exhibition of this bill pretend that the contract for the purchase of Billy had been rescinded. It is true that this respondant instituted an action of Detinue in this Court against the Plaintiff for the slave Billy - Billy as the respondant is informed and believes was delivered by the Plaintiff to his intestate at the time of the contract and remained in his possession to the time of his death. after his death the complainant very improperly obtained the possession of him & detained him at the August term the action of Detinue coming on to be tried this respondant recovered a Judgment for Billy of the value of two hundred & fifty dollars and one hundred dollars damages for his detention On the same day this respondant commenced the action of Detinue as he is informed and believes the complainant commenced an action of Debt against him as the administrator of James T Wright upon a bond of the said Wrights to him for the sum of three hundred dollars and both suits coming on to be tried together the Jury as this respondant is informed which found a virdict in his favor for the slave Billy & the damages aforesaid found likewise a verdict in his favor upon the plea of fully administered in the complainants action of debt against him as the administrator of James T. Wright and the Court gave Judgment accordingly This respondant further answering states that he was a creditor of James T Wright individually to a large amount for a breach of convenant and although the convenant had relation to the partnership yet the breaches thereof by the said

Wright constituted not partnership demands as alledged by the complainant but to all intents and purposes an individual debt due from the said Wright to this respondant some time before the trial of the suits between the Plaintiff and this respondant commissioners had been appointed by the County Court of Campbell for the purpose of settling his administration account of the estate of James T Wright decd and the commissioners so appointed had accordingly made a settlement thereof and reported the same to Court nearly twelve months before the trial the suits This respondant is informed (for he was not present at the trial) that his administration account was fully investigated by the creditors of James T Wright at the time of trial; Several other suits against him as administrator coming on to be tried with that of the plaintiff exceptions as he is informed were taken to the account and those exceptions fully investigated and examined, and the Court & Jury upon that investigation were fully satisfied that the estate had been fairly and legally administered and decided that this respondant had a right to retain as against the Plaintiff a creditor of equal degree the plaintiff, counsel as this respondent presumes must have been satisfied with the decision of the Court as he is informed no appeal or exception was taken thereto This respondant prays to be allowed to have reference if necessary to the verdict of the Jury and Judgment of the Court upon this point and that the same may be made a part of this answer and considers the question of fully administered as closed by that Judgment and not open to further investigation and relys upon it accordingly; This respondant further answering states that he is a creditor to the estate of his intestate to a large amount upon the convenant aforesaid It is not in his power at this time to refer to the administration account reported and settled by the commissioners & therefore he will not undertake to state the precise sum due him but it will exceed by several thousand dollars the amount of assets in his hands, and although the estate of James T Wright is not yet credited for the value of Billy and the damages (the complainant having suspended by this injunction the execution of the Judgment the Estate will still after that credit shall have been given be largely in his debt; In satisfaction of which debt the Court as already determined that this respondant has a right to retain as against this plaintiff; This respondant is not aware that there is any thing due to the Estate of his intestate from the Estate of William Byrd decd as alledged by the plaintiff James T Wright intermarried with one of the sisters of William Byrd who departed this life some years ago in the western country; should this respondant ascertain hereafter that his intestate is entitled to any thing from that quarter he will use all legal and proper means for the purpose of obtaining it and if obtained he will faithfully administer it. This respondant knows of no real estate owned individually by James T Wright. If there be any he presumes that he as the administrator has nothing to do with it. There is some real Estate belonging to the firm Wright & Pollard but of what value this respondant cannot at this time undertake to state The legal title to this Estate is in this respondant and the heir at law of James T Wright This respondant presumes it can be of no importance to ascertain in this controversy the value of the real estate belonging to the firm of Wright & Pollard. Its value is greatly short

of the debts due from the firm and therefore can in no event be liable to the Plaintiffs demand and this respondant having answered the plaintiffs bill so far as he is advised it is any way material he should answer the same and denying all fraud he prays a dissolution of the injunction and that he may be allowed the benefit of his Judgment at law

City of Richmond to wit, This day George Pollard administrator of James T Wright came before me an Alderman for the City of Richmond and made oath that the foregoing answer so far as the same relates to himself is true and so far as the same relates to others he believes it to be true; Given under my hand this fourth day of January 1825

Attached to these materials in the file was a copy of an accounting for the estate of James T. Wright and the report of the commissioners in examining that account. The report provided in part as follows:

". . . . the administrator has produced to us the books of Wright & Pollard late a mercantile firm in the Town of Lynchburg which firm the intestate and his administrator were the only partners These books shewd balance against the intestate James T Wright of $12777.20 cents due to the firm of Wright & Pollard Those books were kept by the said Wright in his lifetime and the principal part of the entries were made before his death. . . ."

In summary the Complaint and Answer indicate that James T. Wright married Nancy Byrd, the sister of William Bryd, and had one child who died before September 11, 1824, that James T. Wright engaged in business as a partner of the firm of Wright & Pollard, and that when he died he was indebted to the firm in sum of $12,777.20.

We three of the commissioners appointed by the annexed order of court have examined the account of George Pollard, administrator of James T Wright deceased and find a balance in the hands of the administrator of Two Thousand and seventy seven Dollars Seventy five cents To affect this balance the administrator has produced to us the books of Wright and Pollard late a mercantile firm in the Town of Lynchburg which firm the intestate and his administrators were the only partners these Books shews a balance against the

intestate James T Wright of $12,777.20 cts due to the firm of Wright and Pollard those Books were kept by the said Wright in his life time and the principal part of the entries were made before his death a copy of his account from the Books is herewith filed marked A and has been examined by us. The administrator has also produced to us the articles of copartnership between himself and his intestate which is also herewith filed marked B. The account marked A and the articles of copartnership were exhibited to us by the administrator as evidence on which to charge the Estate of his Intestate with the sum due from him as a partner to the concern. The administrator also filed his own account with the concern which is herewith filed Marked C by which it appears that he is indebted to the concern the sum of $1086.19 cts this he also wished credited to the estate when reduced to an individual Debt. These your commissioners thought it right and proper to do if they had considered themselves authorised to adjust the partner accounts between the parties but not knowing the extent of their authority and fearing alike to trespass on the rights of the parties and the authority given them by the court they exhibit to your worships another statement in which they include those items and submitting to the court which of those two accounts will best comport with Justice to the parties and the authority of the Commissioners. Your commissioners beg leave further to report that the Administrator has furnished them with a list of Debts herewith filed marked D, by which it appears that sundry debts are still due the firm of Wright and Pollard amounting to $3583.79 uncollected There is also some real Estate undisposed of these debts when collected and the property when sold will go to the Credit of the late firm but whether the firm is owing debts or not your commissioners cannot say from this view it will be shewn to the court that a final settlement of the business of the firm and the estate cannot be made at this time. Another subject is submitted to the court for their opinion it is this the articles of copartnership makes no provision for what has happened the death of a partner the closeing of the whol business devolves upon the surviving partner for this Expence and trouble of closing the business the commissioners thinks a reasonable allowance ought to be made if the concern is able to pay it which at this time cannot be assertained. If the court thinks the last statement ought to be received by them as the administration account then the estate of James T Wright will be owing to the administrator the sum of Three Thousand seven hundred sixty seven dollars Seventy five and a half cents but to go to the credit of this balance will be one half of the debts uncollected when they are collected and one half of the sales of the property in the paper herewith filed marked D provided the firm of Wright and Pollard owes no debts and the half after the debts are paid If any should remain after paying them. All of which is respectfully submitted to your worships Given under our hands this 13th day of November 1823

George Pollard excepts to so much of this report as presents the account on this side of the paper because the commissioners have not allowed the Admr credits for the breaches of the covenant marked A.

Anna Byrd, Samuel Wilson and Charles Johnston by their counsel except to account No. 2 on the opposit page on the following grounds 1st that the said George Pollard surviving partner of Wright and Pollard is not in law a creditor by specialty so as to entitle him to retain as administrator of the estate of James T Wright decd the assets of the said Estate in preference to their claims against the said Wright individually which are due by specialty. 2. That the said Pollard cannot retain as surviving partner the partnership Effects of Wright and Pollard and as administrator of the said Wright retain also the assets of said Wright to pay a balance due from the said Wright to him as surviving partner At a court held for Campbell County February 9th 1824 The within account of the Estate of James T Wright decd with George Pollard his administrator was produced in court and ordered to lie one month for exceptions and a court continued and held for the said County August 12th 1824 The same was again produced in court and Exceptions having been taken thereto by the said administrator and Anna Byrd, Charles Johnston and Samuel Wilson the same were argued whereupon the court do overrule the exceptions of said Byrd Johnston and Wilson to the account aforesaid and do sustain the exceptions of the administrator to the first account as report confirm the second statement of the commissioners considering the said administrator as a creditor under the covenant or articles of copartnership and therefore having a right to retain as against bond creditors and order that the same be recorded

As will be set forth below, Ann O. (Byrd) Wright resided in 1858 in Lynchburg, but her age would be closer to 50 than 32. The listing of her age as 32 was probably a mistake or a miscopying by the census taker and her age should probably read 52.

Sketches And Recollections Of Lynchburg By The Oldest Inhabitant, published in 1858, stated as follows with regard to Ann O. Wright:

"The Byrd Family
Davidson Bradfute.

Mrs. Ann Ursula Byrd was the wife of William Byrd, Esq., of Westover, a son of the gallant Colonel Byrd of the olden time. Her maiden name was Munford, and after the death of Mr. Byrd, she came to Lynchburg to reside with her married daughters, Mrs. Bradfute and Mrs. Alexander Tompkins. Of a family of five daughters, Mrs. Ann O. Wright, of Lynchburg, is the sole surviving member."

The 1860 Census for Campbell County, Virginia, listed Ann O. Wright in the Maria E. Roane household on July 11, 1860:

As set forth above in connection with James Wright, on May 11, 1815, John J. Wright of Rockingham County, North Carolina, the son of James Wright, filed suit in the Superior Court of Law and Chancery at Lynchburg, Virginia, regarding one of the deeds of trust that James Wright had signed. The complaint is recorded in File 247 and the full text is set forth above the section on James Wright, son of 1779 John Wright. The complaint provided in part as follows:

> ". . . . your Orator John J. Wright, that on the __ day of ____ 1808 James Wright the father of your Orator . . . ."

The bill of sale which was the basis of John J. Wright's claim in the suit in File 247 was from James Wright of Bedford County, Virginia, to John J. Wright of Rockingham County, Virginia, was dated February 14, 1810, and was recorded in Rockingham County, North Carolina, in February 1814 at Book P, folio 163. The relevant portion of the text of the bill of sale is set forth above in the section on James Wright, son of 1779 John Wright.

The order determining the matter was filed May 15, 1817, and provided as follows:

> "All matters of difference between the parties in this cause being submitted to us, we do award and determine.
>
> That the plaintiff hath the right to redeem the slaves Sylvia Peter, & Jacob in the Bill mentioned upon paying to the defendant all just claims which the Defendant had against James Wright the father of the Plaintiff originating before notice of the transfer of the equity of Redemption of the said James Wright to the plaintiff
>
> We do further award that the defendant is liable for the hire of Bristoe from the time he came to his possession until the emantion of the writ of the suit instituted against him in Bedford Superior Court of Law by Read & Robinson and determined in Franklin Superior Court of Law
>
> That the defendant pay hirer for Ben one year and for Peter and Jacob for the time he came to the possession of them until they shall be delivered to the plaintiff and that the hire of the three last mentioned slaves be computed at the

rate of Twenty Dollars per annum and that the Defendant pay no hire for Sylvia That the defendant also pay hire for the negro man York at the rate of Seventy dollars per annum for the time he had him in his possession.

That the Defendant be allowed legal Interest upon all sums paid to or advanced for James Wright from the time they respectively came due.

T. R. Gilmen
Thomas T. Bouchier
15th May 1817"

That did not conclude the suit, however, and Jno. J. Wright moved the court to allow the matter to go to trial on May 13, 1820, protesting the many delays by Christopher Clark in bringing the matter to trial. On October 16, 1820, John J. Wright noticed the deposition of James Wright to be taken on December 13, 1820, at Benjamin Watkins Store in Pittsylvania County, Virginia. On May 15, 1820, Jno. Wright noticed the deposition for June 28, 1820, of James Williamson and Prudence Wright at the house of Lilbourn Wright in the town of Russellville, Logan County, Kentucky. James Wright's deposition was taken October 16, 1820, at the Franklin Hotel, Lynchburg, Virginia, indicating that he still resided in or near Bedford County, Virginia, at that time.

On February 27, 1818, William Calloway, William Leftwich, and Thomas Lumpkin filed a complaint against James Wright for debts due to them and to set aside the conveyance to James Wright's son John J. Wright in 1810 as a fraudulent conveyance meant to defeat their claims. The suit is in File 131 of the Superior Court of Law and Chancery, Lynchburg, Virginia. The complaint stated that James Wright was indebted to their company for the sum of fifty six pounds, nineteen shillings, seven pence with interest from 1792.

The answer of John J. Wright was filed on May 16, 1818, and was similar to his answer in the Christopher Clark suit mentioned above and stated in part as follows:

". . . . that the consideration in the bill of sale from James Wright to this defendant which is mentioned in the bill of the complainants was really and bona fide paid by this defendant in the years 1808 and 1809 principally in cash and to a small amount in goods, the particulars of which are not now recollected by this defendant, but will appear by this defendant's account against the said James Wright to be hereafter produced if required by this honourable Court. That at the time these advances were made by this defendant to his father the said James

Wright this defendant resided in the County of Rockingham & State of North Carolina, where he did business as a merchant, and as he had left his father when he was not more than fourteen years of age he was not well acquainted with the affairs of the said James Wright, and supposed from the property which he had when he left him, that he still was in good circumstances. That early in the year of 1810 this defendant having learnt that his father's affairs were greatly embarrassed, and that most of his property, if not the whole, was encumbered with deeds of trust, mortgages, &c, this defendant became uneasy and took occasion on meeting with his father at this defendant's house in Rockingham where he had come for the purpose of procuring a further supply of money from this defendant, to insist on being repaid or made secure for the advances he had previously made, upon which the said James Wright admitted that the whole of his property was then under incumbrances to Reed & Robertson, Thrasyphilous Minor, the defendant Christopher Clark & others, and proposed to sell to this defendant the equity of redemption in the said property, which might at a future day, be sufficient fully to indemnify this defendant, to which proposal this defendant, not knowing what he could do better acceded, and the bargain was made which in a few days afterwards was carried into execution by the bill of sale of aforesaid, which bill of sale was thought by the parties most proper to execute in the County of Bedford at the home of the said James Wright where part of the said property then was which bill of sale is now filed in the suit of Wright v Clark in this honourable Court & a copy of which is hereto annexed. This defendant was not present at the execution of the said bill of sale but he wrote to his brother William P. Wright who had previously lived in his store to act for him in the business. This defendant knows not if the said conveyance contained all the property of the said James Wright no otherwise than as he was informed by his said father - but the whole of it has been since taken to satisfy prior incumbrances or executions except three slaves which this defendant has lately recovered of Christopher Clark aforesaid in this honorable Court by virtue of the bill of sale, which slaves constitute the property now attached by the complainants, and the possession of which he cannot obtain under the decree of this Court without paying to the said Christopher Clark the sum of £149 after deducting his costs. The debts & suits mentioned in the bill of sale have been altogether unproductive. This defendant positively denies that there is any collusion between the said James Wright & himself or that there is any intention or agreement on his part to put the property he has recovered in the possession of the said James Wright. That from the advances made to his father before this defendant made the purchase & the trouble & expence in which he has been already involved, and with which he is threatened to be still further pursecuted, he has great doubts whether he will ever be indemnifyed from the proceeds of the purchase aforesaid. But while he shall feel fully justified to his conscience in taking the full benefit of his bargain, should it eventually prove advantageous, he trusts he is not so lost to the feelings of natural affection as not to afford an occasional assistance to a parent who so greatly needs it . . . ."

That answer clearly identifies both John J. Wright and William P. Wright as sons of James Wright.

Thereafter on March 8, 1819, the deposition of James Wright was taken at the courthouse in Henry County, Virginia.

On March 20, 1819, William P. Wright gave his deposition at his house in Logan County, Kentucky, which provided in part as follows:

> ". . . . William P. Wright being of lawful age . . . . this deponant first acquainted John J Wright of his fathers situation after which John J Wright requested me to act for him in the business of the execution of the bill of sale . . . ."

On March 20, 1819, the deposition of Thomas G. Gentry was taken at Williamson County, Tennessee, in which he stated in part:

> ". . . . that some time in the fore part in the year 1810 (January or February) he lived with John J. Wright and done business for him in his store. . . ."

Thomas G. Gentry went on to confirm the execution of the bill of sale to establish security for John J. Wright for debts owed to him by James Wright.

There was also a deposition of Richard Williams on March 25, 1819, at Rockingham County, North Carolina, supporting the validity of the bill of sale from James Wright to John J. Wright to secure the debts owed by James Wright to John J. Wright.

Finally, there was an undated argument of counsel in the file, but no indication of how the suit was finally resolved.

A similar suit was filed by Drury Holland against James Wright and John J. Wright on a bond for which Drury Holland was the security. This complaint is in the Superior Court of Law in Chancery at Lynchburg, File 130, and virtually identical copies of the complaint, answers, and depositions were filed there as in File 131.

On May 16, 1818, John J. Wright filed his answer to a complaint by William Calloway, William Leftwich, and Thomas Lumpkin filed in File 131, Lynchburg Superior Court of Law and Chancery, and clearly identified William P. Wright as his brother and James Wright as his father:

> ". . . that the consideration in the bill of sale from James Wright to this defendant which is mentioned in the bill of the complainants was really and bona fide paid by this defendant in the years 1808 and 1809 principally in cash and to a small amount in goods, the particulars of which are not now recollected by this defendant, but will appear by this defendant's account against the said James Wright to be hereafter produced if required by this honourable Court. In her letter dated June 25, 1988, Mrs. Ruth Lewis enclosed an obituary for James Lilbourne Wright in a report for the Methodist Church, Louisiana Conference, 1903, which listed his date of birth as September 21, 1822, at Russellville, Logan County, Kentucky:

> "James Lillbourne Wright was born in Russellville, Ky., September 21, 1822. He was converted in Poydras Street Methodist Church, New Orleans, in February, 1842, and joined the Church under the ministry of the Rev. Elijah Steele, and was received into full membership by the Rev. William A. Curtis. In May, 1843,

he was married to Miss Mary A. Grant. In December, 1845, he was admitted on trial in the Mississippi Conference. In 1846 he organized what is now known as the Farmerville Circuit. In 1847 he was employed by the presiding elder to serve the Monroe Circuit in place of the Rev. Mr. Tinder, who died shortly after reaching the work. In January, 1848, he was admitted on trial in the Louisiana Conference, and appointed to the Monroe Colored Mission. In 1849 he was admitted into full connection and ordained deacon by Bishop Capers. in 1852-3 he was local. Readmitted in 1854, and ordained elder by Bishop Andrew, he was appointed to the North Bossier Circuit. In 1856-57 he served the Red River Circuit; in 1858, the Homer Circuit; in 1859-60, the Bastrop Circuit; in 1861-2, the Jefferson, now the Oak Ridge, Circuit. In 1863-4 he served as chaplain in the Confederate army. After the war he was presiding elder on the Delhi District two years. In 1879 he served the Trenton Circuit. In 1883-4 he was pastor of the Algiers and Gretna work. His last regular pastorate was the Tulip Circuit. In 1890 he was granted a superannuate relation, which relation he beautified and adorned by a righteous walk and godly conversation until May 25, 1903, when he was called to 'the inheritance of the saints in light.' The names of the circuits he served show a large field for ministerial labors, and the dates given show more than fifty years of usefulness in the vineyard of the Lord. It is a difficult matter for us of the present day to put the proper valuation upon the work done by our predecessors in the ministry, and our estimation of the difficulties encountered and overcome by them falls below the reality, because we cannot get a proper appreciation of the conditions under which they lived and labored. This results from the fact that we have no experience along those lines. We have our difficulties, our trials and tribulations, as all earnest men have, but the labors and difficulties of the early days were of a very different sort. They were of the sort which made heroes out of men whom the world considered very ordinary men. For instance, a journey of two or three hundred miles on horseback in wintry weather over unspeakably bad roads would rapidly cool down the ardor of the most enthusiastic preacher of to-day, and very seriously affect the answers to roll call at the opening of Conference. The move from one circuit to another, with wife and children and meager household effects piled together in the canvas-covered wagon, with the indomitable itinerant walking ahead with his ax to open a passage, and this move often consuming weeks in the worst season of the year for traveling-such a prospect now would produce in some of us such a state of perplexity as would cause us to entertain serious doubts as to the genuineness of our call to the Methodist itinerancy. But the men of the stamp of James L. Wright never doubted, never faltered, never balked at any such difficulties. He spoke of them often, and would describe them with a vividness which brought every detail so clearly into view that one saw the whole process go on before the mental vision; and yet in his childlike simplicity he was altogether unconscious of the fact that he was exploiting the achievements of as genuine a hero as any that ever filled a page of human history. His fellow- laborers considered it a fortunate providence that they were associated with him, and some of the brightest things in their lives and some of the best things in their

ministry were traceable to that association. From him they learned lessons which have always been a blessing to them. As a citizen brother Wright respected and honored 'the powers that be,' and gave a hearty voice and large influence to the furtherance of the good of the commonwealth. As a father of a large family, ___ is godly life he commanded the rev___ and loving obedience of his house ___ As a friend he was true to all the ___ of that sacred relation, and as a ___quence he was a friend to all and ___ friend of all. As a pastor he was dili___ to meet his obligations and tender ___ application of the consolations of ___ gospel to the suffering and the sor___ing. As a preacher he was extremely ___atory. He did not seem to care much ___ exegetical preaching, and rarely at___ted it. He felt that the sinners be___ him were perishing in their sins, and ___ exhortations were born of the agonies ___is own soul and were oftentimes de___ and with an irresistible power. He ___ a habit of singing a solo just before ___ announced his text, and under those ___ large congregations have been ___ed to a tenderness unaccountable, ex___ on the theory that the Holy Spirit ___sed his own infinite tenderness into ___ melody as it went into the hearts of ___ hearers. That was the way he fre___tly prepared the hearers to hear the ___ and the impressions made were ___ing because the seed was sown in the ___ared ground. If brother Wright had ___ special gift it was what is called 'the ___ of prayer.' He always prayed well. ___ there came times when he seemed to ____ardened with the unutterable groan of the Spirit. Let a stirring sermon ___g weeping penitents to the altar, and ___ call on brother Wright to pray was ___ing less than to bring heaven and ___ together at that place. He has often ___ that at those times he could see into ___ holy of holies and feel the reality of ___ words,

> The opening of heavens around me shine
> With beams of sacred bliss.

___ is but a poor estimate of the char___ of this humble man of God, but we ___ sure that when the annals of eternity ___ written his character will glow on ___ pages forever. He died as he had ___d-in peace with all men and in fellowship with his Lord."

"General Joel Leftwich,
Bedford County, Virginia

Booneville, Cooper City,
Missouri,
April 27, 1822.

Dear Uncle:

For the first time since I left Virginia I have undertaken to write you, although I have but little that is interesting to communicate, more than the fertility of our soil, and a description of this country in general. It will produce from seventy-five to eighty bushels per acre of corn, and everything else in proportion, it has many other natural advantages, it abounds with salt springs, salt petre caves, lead and iron ore, etc. It is fine for stock of every kind, they can live summer and winter without much trouble. By giving you the prices current you can judge for yourself.
Corn from fifty cents to one dollar per barrel; wheat seventy-five cents per bushel; pork one dollar and fifty cents per hundred weight; beef one to two dollars per hundred weight; salt from seventy-five cents to one dollar; whiskey thirty-seven and a half cents to fifty cents per gallon; tobacco three dollars; honey fifty cents, and it can be found in great abundance. Wild meats are very plentiful, deer, bear, buffalo, elk, etc. Yet notwithstanding all these advantages, times are very hard.

I am not pleased with our laws. They are oppressive, our Legislature has made a loan office, a property law and a replevin law for two and a half years, all of which are useless as the Judiciary has decided them unconstitutional which leaves us in a bad situation. We have a good stream to market but this country has been sickly for the last three years, which has in a great degree hindered

emigration. If it continues to be sickly this fall the country will be depopulated very fast.

The society is not good, like the aborigines of all other states it is composed of a heterogenious mass, the people trade with the Indians for fur to a great advantage. We live within forty miles of the last white settlement to the south and upwards of four hundred from Russellville, Kentucky. We have no relations in this country and it is going on two years since I have seen my relations in Kentucky. I and my Virginia girl were married March 2, 1819.

A few days ago I received a letter from Kentucky announcing the death of my beloved brother, James, but did not hear the particulars. I will thank you to write to me so soon as you receive this and inform me of the particulars, relative to his death and of the situation in which his widow and child are left. I also heard of the death of old Grandmother and Brother William's son. I shoul he glad to see the place of my nativity and my friends with whom I was raised but as I cannot see them I should be glad to hear from them.

Present my compliments and Mary's to our worthy Aunt Nancy and Cousin Jack and family, Uncle Turner and family and all my relations and with sentiments of the highest esteem, I remain your affectionate nephew.

Lilbourn Wright"

On January 7, 1824, Lilbourn Wright became indebted to the Bank of Kentucky, Russellville Branch, for the sum of $575 and his brother William P. Wright mortgaged three negro slaves, Cato, Juda, and Izarilla(?), to secure that debt by a mortgage deed recorded at Logan County, Kentucky, D.B. L/529.

On November 25, 1825 at Logan County, Kentucky, D.B. _/_, William Fust reconveyed to Lilbourn Wright certain property mortgaged on February 19, 1823:

In Testimony of which I hereto set my hand & Seal this 25 day of November 1825.

> "EC 9 - 183 Wright VS Park, Filed 29 Jan 1820
> Robert Wright represents that in April 1819 that he wished to rent a house in the town of Russellville. David Parks and Jacob Norton was in possession of part of a certain house in Russellville which he concluded would suit him and he agreed to give them at the rate of $150 per year for the house to be paid by installments. By agreement Park and Norton was to give Wright possission of the house immediately, that is in a few days. And to that effect and agreeable to the

contract they entered into a written agreement and Wright at that time having so much confidence in the honesty correctness of David Park left the written agreement in the possession of Park and took no copy. At the time Wright was to have possession of the house and rented furnishings (which he had rented for the commodations of a store room) he applied to Park for possession of the rented house and principles and Park refused to give him possession of the rented house and principles agreeably to contract and Wright having prepared to move his mother and family into town agreeable to contract was obliged to rent another house and told told Park at the same time that they would be off the contract about the rent of the house and demanded a destruction of the articles of agreement. An when the first installment became due for the rent of the house agreeable to the articles of agreement Park warranted Wright for the same and before William Curd, Esq. recovered a judgement against Wright for about $37 besides costs.

6 May 1820 Answer of David Park. He admits that he and Jacob Norton rented a house to Richard Wright. States that he gave Wright a copy of the contract, that he told Wright the key was ready for him and Wright told him to keep it till he called for it. That Wright eventually applied got the key and proposed renting the house to different persons and at last the house was actually rented to Major Amos Edwards and Wright has received the rent from Edwards as Park is informed. That since renting the house the partnership between himself and Norton has been dissolved and all the rent is to go to Park. He has recovered Judgements against Wright for two payments and now the balance of the contract is due.

26 May 1819 Memorandum of an agreement between Norton & Park and Robert A. Wright renting the house of Wiley J. Barner for 8 months. Witnessed by Sam Ewing.

That Stewart sold him the land at $10 an acre, representing that it was good clean land and tillable and since purchasing it has found the land to be one solid slab of rock.

16 Aug 1820 William Stewart denies the allegations against him. Contains 16 pages."

On March 1, 1821, at Logan County, Kentucky, D.B. I&J/185 Robert A. Wright executed a mortgage in favor of William P. Wright which provided in part as follows:

Leftwich-Turner Families Of Virginia And Their Connections included a letter dated March 11, 1821, from Robert A. Wright to Mrs. Nancy Leftwich which provided as follows:

"Mrs. Nancy Leftwich, Russelsville, Ky,
Bedford County, Virginia. March 11, 1821.

My dear Aunt:

Your letter of December last has just come to hand with information of the death of my good and affectionate Aunt, but we ought not to regret her death so much as we are satisfied she has gone to a much better world. In this world a person is never happy but we have a hope that she is happy to a never ending eternity.

The next important point is to say something about my dear old Grandmother to whom my affection has been placed since my youth. Tell her that I have not yet nor ever shall forget her, and remember my love to her and tell her if I never see her again I want her when she dies to leave her spectacles to me to keep for her sake. I want you to take care of them for me. I expect that I shall visit Virginia next fall if I can get money to purchase me some servants. Since I left Virginia I have accumulated four or five thousand dollars worth of land and town property which I bought to speculate on, but this great depression that extended all over

the United States has disenabled me to make sale of it. The State of Kentucky has made fifteen new banks which I hope will make money plentiful and enable me to make sale of my property. You wrote Mother word to inform you how she was. Mother is not satisfied to live with any of her children but myself and so long as I keep my breath she shall not want for anything. Last year I commenced manufacturing tobacco in this place. Brother Lilbourn and myself cleared three thousand dollars but Mary, Lilbourn's wife, was not satisfied in this country. They have moved to Missouri. I still continue the tobacco business which is the best business I can do in this country these hard times. I buy tobacco at three dollars a hundred and sell it from twenty to thirty-seven and a half cents, which makes me some days thirty dollars clear.

Give my love to Uncle Joel. Tell him that I intend to send him a twist of my Kentucky tobacco the first opportunity. I have taken the pains to give you my exact situation. I have nothing but my own exertions to depend on but I hope always to be able to make my mother's situation sgreeable while she lives.

I have no thought of marrying, my reasons are the girls are not worthy enough and if I marry I must make something by it. Dear Aunt, I believe I have answered your letter all except about sister Ann. She has gone to the State of Alabama to teach school. She lives with a friend of mine in Tuscaloosa town where I send a great deal of my tobacco. I shall go there this spring, then she will return home with me. Lawyer ____, writes me word that she has a very large school and manages very well which is pleasing news to me. Mother has written to you but she requests me to write you to remember her love to her brother, Augustine Leftwich, and tell him if he is willing to part with Wesleys Hymn Book to please send it to her by Mrs. Jones as there are some hymns in it she is very fond of and one cannot be gotten in this country. Please give my love also to Uncle Austin. Mother also wants to know if he keeps house. My love to Cousin Jack, Aunt Sally and family.

I am your much esteemed friend,

R. A. Wright"

A second letter dated May 5, 1821, to General Joel Leftwich provided as follows:

"General Joel Leftwich,
Bedford County, Va.

Russelsville, Ky.,
May 5, 1821.

Dear General:

I have nothing of much importance to communicate. The western country has been incumbered with a very great scarcity of money. Trade of all kinds has been very dull for fifteen months, produce low, but this State and Tennessee have issued a large portion of paper, founded on each of their States, which has

very much revived the people. Business appears to be going on in a different way altogether, and my own opinion is that property will sell for more in Kentucky than it ever did, those who have moved to Missouri State, in consequence of its being so sickly, are moving back to Kentucky, which will certainly cause the land to rise. Brother Lilbourn moved to Missouri last winter. I received a letter from him by this morning's mail. He regrets his exchange very much and states it is highly probable he will return. I am yet living in this place, old Julous Sandys, like, and I don't expect to move shortly, except I move to a town on Cumberland river, which is improving very fast. I own six lots there and I am building a small frame house on one of them. It will all depend on how they will sell. I still continue to carry on a tobacco factory. I have had me a snuff mill built, it grinds five hundred weight a day. I make snuff out of my stems altogether. Snuff in this country is worth from thirty to fifty cents per pound and there is a very ready sale for it. My manufactured tobacco twisted, is worth from twenty to twenty-five cents, spun tobacco from thirty to thirty-seven and a half cents a pound, first quality leaf tobacco worth only three dollars. Horses are higher here than I ever knew them. The eastward bacon is dull in market at four cents, whiskey from twenty to twenty-five cents dull, wheat 20 cents, oats twenty cents dull sale, corn from one dollar to one fifty. I wrote Aunt Nancy a letter some time back. I stated I expected to go into Virginia next fall. It will be altogether owing to my getting eastern funds. I should like to see that country once more very much, but having to make exertion for a living it would not suit me unless I can make business there.

Dear Uncle, if there is any steps to be taken with old Billy Robertson's estate to make that money, I wish you would do it, for I earned that money by cultivating the poorest of land. It was done like ferrying up stream against the wind, and the current very swift. Tell the widow it would be a deed of justice for her to pay that money. Please take the trouble to give my affectionate love to my good old grandmother, Aunt Nancy, Cousin Jack and family. I have nothing more but remain your humble obedient servant.

R. A. Wright.

P.S. - Mother authorizes me to state that she has been very much afflicted with the rheumatism for six months back, she is in hopes she is on the mend. She sends her love to Aunt Nancy, Grandmother, Uncle Turner and all inquiring friends."

On August 15, 1821, Robert A. Wright filed a third suit in Logan County, Kentucky, Equity Case 12-250, Wright v. Breathitt, the abstract of which from Logan County, Kentucky, Equity Cases provided as follows:

"EC 12-250 - Wright vs Breathitt, Filed 15 August 1821
Robert A. Wright, Jesse Wright and William P. Wright represent that in the years 1818 and 1819 Robt. A. Wright dealt in the store of Cardwell Breathitt and Co. to wit Cardwell Breathitt and John Breathitt and purchased several articles, etc., now owing a note of $86.95 1/4. A judgment was obtained against the Wrights for the note. Mentions that $32.50 was paid to Benjamin E. Whitaker. That Robert A. Wright has paid all of the debt except the $32.50 which was susposed to be applied to the debt by Whitaker.

9 Pages."

Leftwich-Turner Families at page 242 included a letter dated April 17, 1836, from Robert A. Wright to General Joel Leftwich:

"General Joel Leftwich,
Lynchburg, Va.

New Orleans, La.,
April 17, 1836.
(Courtesy of Dr. Sanders).

My dear Uncle:

My pen waves with that degree of affection and respect, love, and esteem, I do not know how to communicate to an uncle so worthy. I left you when a youth. I have fought the world in an honest way, to gain that respect and reputation to which I hope Dr. Sanders will inform you, if he made any inquiries of my standing in Louisiana. I have already lived to get rich, then poor, and then rich again. Five years ago I lost twenty-three thousand dollars in the twinkling of an eye, and, Sir, I bore it with such fortitude that it raised me in the estimation of my acquaintances, so, as to extend my credit. This was all caused by my own gratitude toward my fellow men, by going security - knowing how to write my name, but, Sir, it is strange to tell, but with truth, I can safely say that I am now worth more than I ever could expect, say at least one hundred thousand dollars in cash and good property, and I indorse for no man and no man for me. I do think I have paid to know the ways of the world. I have seen a great deal of trouble, but, Sir, I do not think I see so much now as I used to. I think I have bought trouble out. I am an old bachelor, and in this situation it is more than probable I shall live and die. I never saw but one woman I loved, then I was too poor to marry. In June next I shall be thirty-nine years old. I am now too old to marry a young girl. I know I could marry in my City and State, and possibly to an advantage, but I have reflected so much on this subject and decided that Louisiana, as yet, does not in her boundaries hold a wife for me. It is possible I will visit Virginia this summer if my business will permit.

In conclusion my dear Uncle, as it respects business of our City, Dr. Sanders will give you all information on that subject.

My love to all of my inquiring friends, and although being absent from you for upward of twenty years, yet my dear Uncle, I never can forget you, your appearance and address are as perfect as it was yesterday to my mind. Be well assured if we never see each other again, I live and die with that esteem my tongue can not express. Write to me.

Yours truly,
Robert A. Wright"

In her letter dated September 7, 1988, Mrs. Ruth Lewis stated that the New Orleans City Directory listed Robert A. Wright as follows:

"1834	R. A. Wright Tabaconist 143 Common
1838	R. A. Wright Res 179 Gravier
1841	Robert A. Wright Negro trader 179 Gravier
1842	Robert A. Wright Trader 179 Gravier"

The 1840 Census for New Orleans, Louisiana, listed Robert A. Wright with the following household:

Males	Ages
1	40-50
1	15-20

In her letter dated October 10, 1988, Mrs. Ruth Lewis enclosed a copy of the death certificate of Robert A. Wright dated February 22, 1841, that stated he was about 45 years of age, a native of Virginia, a negro trader, and not married, and that the informant was James L. Wright:

"Parish of Orleans.

In that same letter Mrs. Lewis also enclosed a copy of the petition for probate of the estate of Robert A. Wright:

"To the Honble. J. Bormudy(?) Judge of the Court of Probates in and for the Parish and City of New Orleans the petition of William Henry Martin shews respectfully that one Robert A. Wright, since several years a resident of this City and a negro trader departed this life in Gravier Street N. 179 on 22 feby 1841 as the annexed Certified Copy of the Register of Births and deaths will shew Your petitioner further shews that said decedent has left no will that he knows or has heard of; that from what your petitioner has heard the deceased has left a small estate consisting of a slave and a few trifling movables, and the whole not five hundred dollars in value; that although your petitioner is a Creditor still he's unwilling to apply for the administration first owing to the trifling value of the Estate and secondingly because his business frequently requires him to leave the state several times during each and every year, wherefore your petitioner prays upon the above information your Honor will please issue such order and decree in the premises as the Law & nature of the case may require Petitioner further informs your Honor that it is said and your petitioner believes, the fact that

deceased has left in this City a legitimate collateral relation viz James L. Wright his nephew who is a minor, but petitioner knows of no other relations of deceased

Leftwich-Turner Families Of Virginia And Their Connections stated that Robert A. Wright was born in 1797, resided in Russellville, Kentucky, in 1821 and in New Orleans, Louisiana, in 1836.

H. Elizabeth Wright

Elizabeth Wright was a daughter of 1779 John Wright of Prince Edward County and Anne (Pryor) Wright. (1779 John[1])

The will of 1779 John Wright dated March 18, 1775, and probated on April 20, 1779, at Prince Edward County, Virginia, W.B. 1/218 listed Elizabeth Wright as one of his children:

". . . . Itam I lend unto my daughter Elizabeth Wright during her life my negro woman named Judah and my negro girl named Dilce one feather bed and furniture and after her death I give and bequeath the said negro woman Judah and girl Dilce with their increase unto my grandDaughter Chloe Wright and her Heirs for ever, and if she should die without heir the said negroes to be sold and the money devided Between my children that shall be then surviving . . . ."

Although there was a marriage bond for Elizabeth Wright and Thomas Hamilton dated on May 21, 1783, at Bedford County, Virginia, as set forth above, this was most probably the daughter of David Wright, Sr., and granddaughter of 1779 John Wright rather than the daughter of 1779 John Wright. No further record has yet been found on Elizabeth Wright, daughter of 1779 John Wright.

I. Mary (Wright) Williamson And Her Husband Williamson

Mary (Wright) Williamson was a daughter of 1779 John Wright of Prince Edward County and Anne (Pryor) Wright. (1779 John[1])

The will of 1779 John Wright dated March 18, 1775, and probated on April 20, 1779, at Prince Edward County, Virginia, W.B. 1/218 listed Mary Williamson as one of his children:

". . . . Itam I give and bequeath unto my daughter Mary Williamson my negro girl named Jeney now in her possession to her and her Heirs forever . . . ."

This record indicates that Mary (Wright) Williamson had married before March 18, 1775. If she was at least 16 years old when she married, her date of birth would be probably before 1760.

Mary Williamson was one of the cross plaintiffs in Wright v. Fleming, File 278, in the Superior Court of Law and Chancery at Lynchburg, and in that complaint dated probably prior to September 13, 1819, she was described as a widow before Thomas Wright's death:

". . . . That a certain Thomas Wright late of Campbell County departed this life some time in the year eighteen hundred and five . . . . your oratrix Mary Williamson his sister who was a widow of his death . . . ."

She continued to be listed as a cross complainant through the verdict on April 14, 1825, indicating that she died after that date.
